## **The Venue and Travel Information**

Sutton, Surrey close to public transport and train routes with free local parking. Full details sent on booking

## **Lunches and Break Times**

Generally, there are two fifteen-minute tea breaks morning and afternoon with an hour for lunch. (Refreshments will be provided at morning and afternoon break) Please bring your own packed lunch or picnic to eat or if preferred there are local shops and supermarkets within a fifteen-minute walk and a local Harvester. There is a garden available for brighter days.

## **How the training days' work**

Courses are live 'in person' trainings and generally offered in a small group environment to receive individual attention and the ability to ask questions as we go along. From experience, this connects the group together and is a fun, mutually rewarding way to learn and benefit from other energies and sharing of information. Personal one-to-one trainings are also available - please contact me to discuss dates of availability and fees.

Many of the courses are at a professional level and not designed for personal therapy and public sharing of personal matters. Please do contact me before booking a course if you wish to talk through any deep personal experiences and discuss therapeutic options for support before taking a training

## **Media**

I love sharing happy news and on qualifying for any course and receiving your qualification or attendance certificate it's great to have a picture (individual and group) to share of happy times. Any photos taken may be used shared with the Guild of Energists Members Page of Facebook and/or in my personal marketing pages and website. If you prefer not to have your picture taken please do notify me before your training begins
