

STRAY DOG SUPPORT

Legacy Program

Your lifetime commitment
in ensuring a future of hope
for street animals globally.

Making the gift of a lifetime.

At Stray Dog Support, we understand the profound bond between humans and animals. For those who believe in the power of compassion and are dedicated to making a difference even beyond their lifetime, we present the Stray Dog Support Legacy Program.

Elliott's Story

Elliott is a survivor of horrific abuse but is now thriving in California with his new family.

Elliot attends events and has made many appearances at local seniors' homes in addition to his visits with special needs children and adults.

The Legacy Program is a unique opportunity to create a lasting impact on the lives of street animals around the world. By including Stray Dog Support in your will, you're ensuring that your love for animals endures, offering a lifeline of hope for those who need it most.

By becoming a legacy donor, you provide the gift of a lifetime for animals in need globally.

Your legacy gift will change lives for generations.

Your legacy will leave an eternal impact, as your generosity paves the way for a brighter future for street animals.

Stray Dog Support operates across borders, reaching animals in need on a global scale and the communities they're in.

Your gift will help provide food, shelter, medical care, rehabilitation and so much more in these communities.

As a long time donor, I can say with absolute certainty that you will always know that your money is going where you intended and she is absolutely fastidious about updating every case. Thank you so much Helen for all you do for the dogs (and cats, donkeys, horses, monkeys)!

The impact of a lifetime.

Because of you, Stray Dog support will be able to rescue and care for more dogs like Bagel.

Bagel's Story

Bagel came into our care after he was used as a testing dog and discarded. After months of medical treatment, he began to heal.

Bagel fully recovered and headed to Canada to find his forever home.

He has since been adopted and lives with a wonderful family with both human and dog family members! Rescues like this are made possible by donors like you.
