Not to worry. Fortunately, I have a very thick skin! I will reply to him, just haven't had the time this morning. ☺

Hi,

I just wanted to say **I'm sorry if Marc attempted to intimidate you into not speaking with us.** I know he wasn't thrilled that I "went over his head" and contacted you directly, but I just wanted the correct answer to the concerns we had. I'm sorry if you were upset by him. Thank you for always be so helpful. We appreciate you more than you know!

Hope you have a great day!
