Mike

Thank you for your email.

Budgets are tight and we are not doing any painting this coming summer at this time using outside sources. No big projects either

Should things change we will be sure to contact you for pricing

Have a good evening

Keith

Keith,

I don't know if Marc mentioned this to you, but I purchased his business. I have been with Certapro for 5 years and as of January I acquired all Marc Garofalo's areas. I know that Marc has done a lot of work for you and I was hoping that you would give us the opportunity

to bid on your projects. We do great work and always satisfy our customers.

Do you have any projects coming up that we can bid on?

Regards
