

HOW IT WORKS

choose a bar

Choose from our cash, open, and switch bars based on your event, needs and budget. All bars include 2 bartenders, agreed upon alcohol, cups, ice, mixers, soda, water, garnishes and napkins. There is a \$50/hour bartending fee and a travel fee of \$35 for every 30 miles over the first 30. All events will be charged at a minimum of 2 hours. The maximum distance we currently travel is 200 miles (within KS only).

choose a drink package

We offer 3 tiers of alcohol to include top shelf, calls and wells within our 3 drink packages. A full bar includes everything we have to offer, however, choosing a specific drink package will best allow you to accommodate your budget.

customize your event

We are more than happy to discuss anything extra that you might be in need of, such as a champagne toast, or special cocktail. Perhaps our bars and packages don't exactly fit your needs. Let's talk!
