

Missionview Saddle Club

Gymkhana at its best!

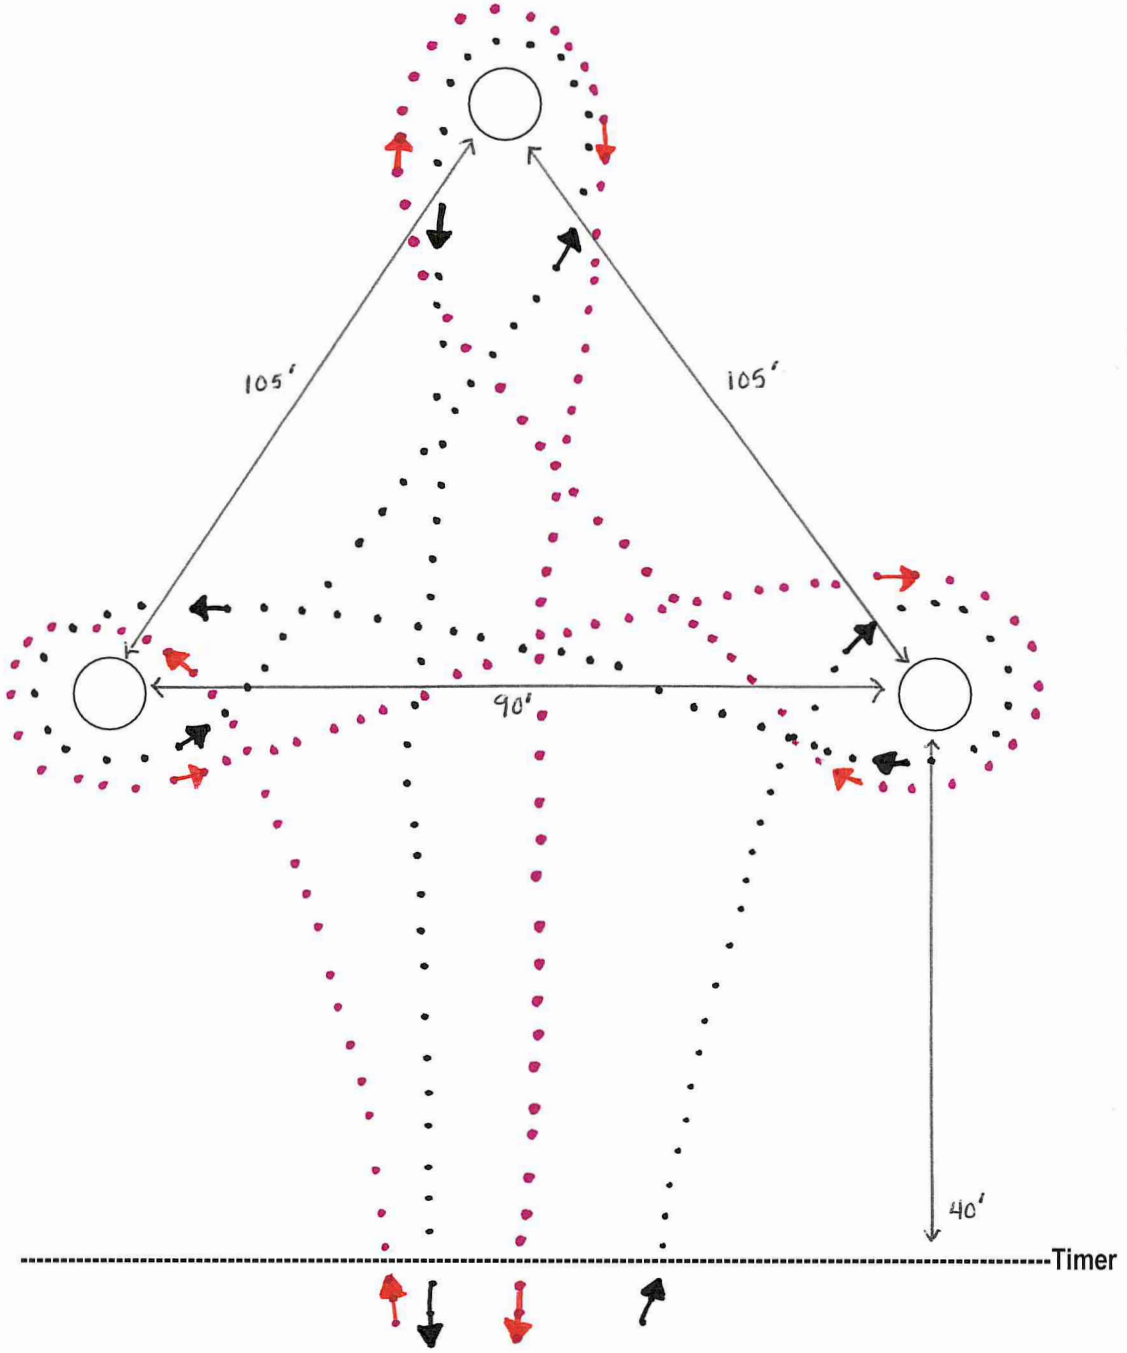

Barrel Bending

Right or left hand pattern may be used. Five small barrels are to be used.

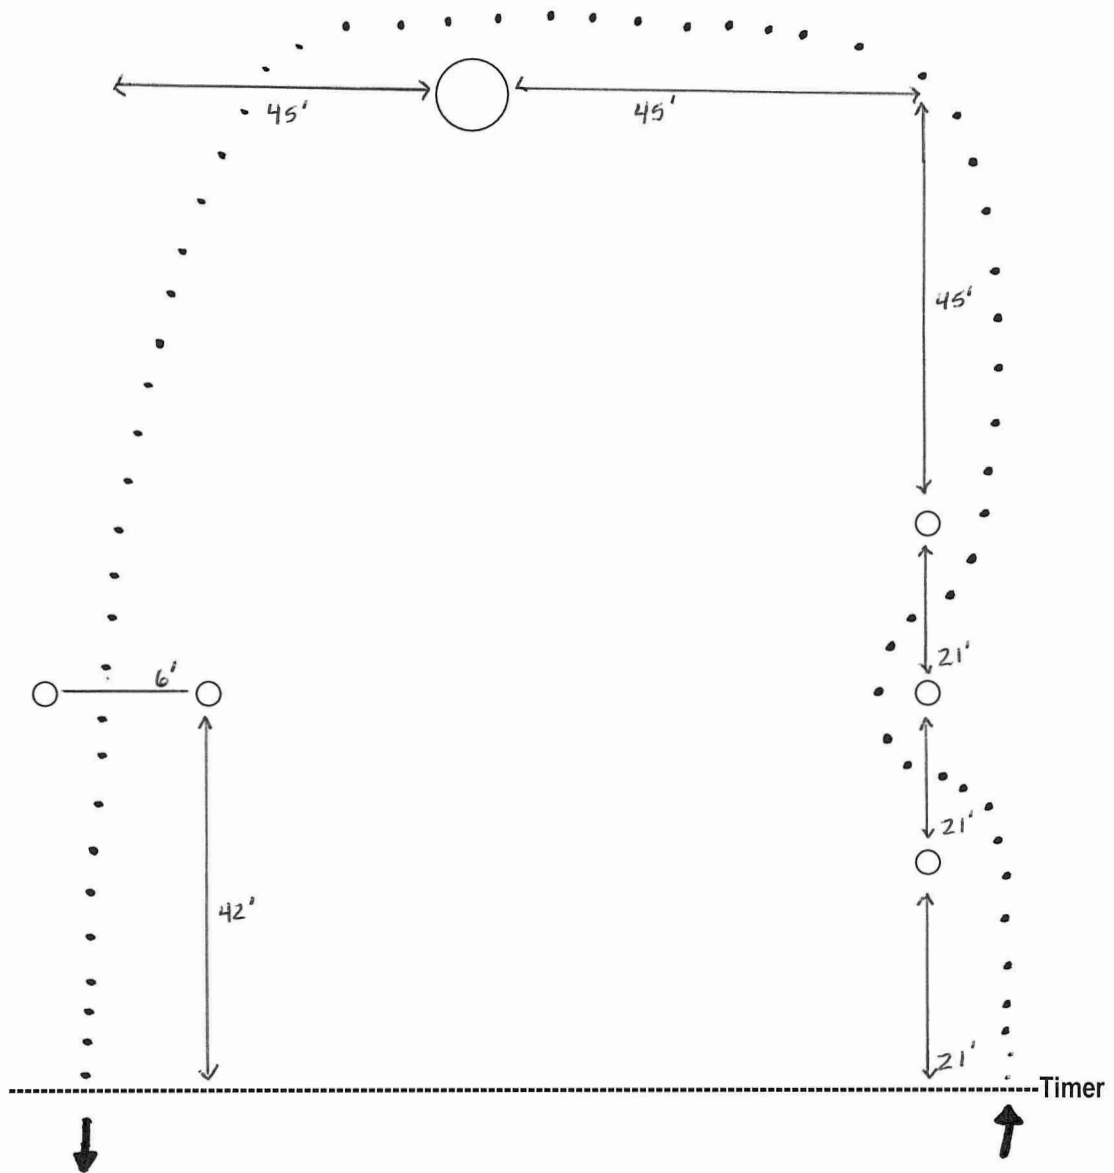

Barrels

Left or right hand pattern may be used. Three 55 gallon barrels are to be used. If arena site warrants, adjust barrels so they are proportioned that the barrels closest to the fence are not closer than 15 feet to the fence.

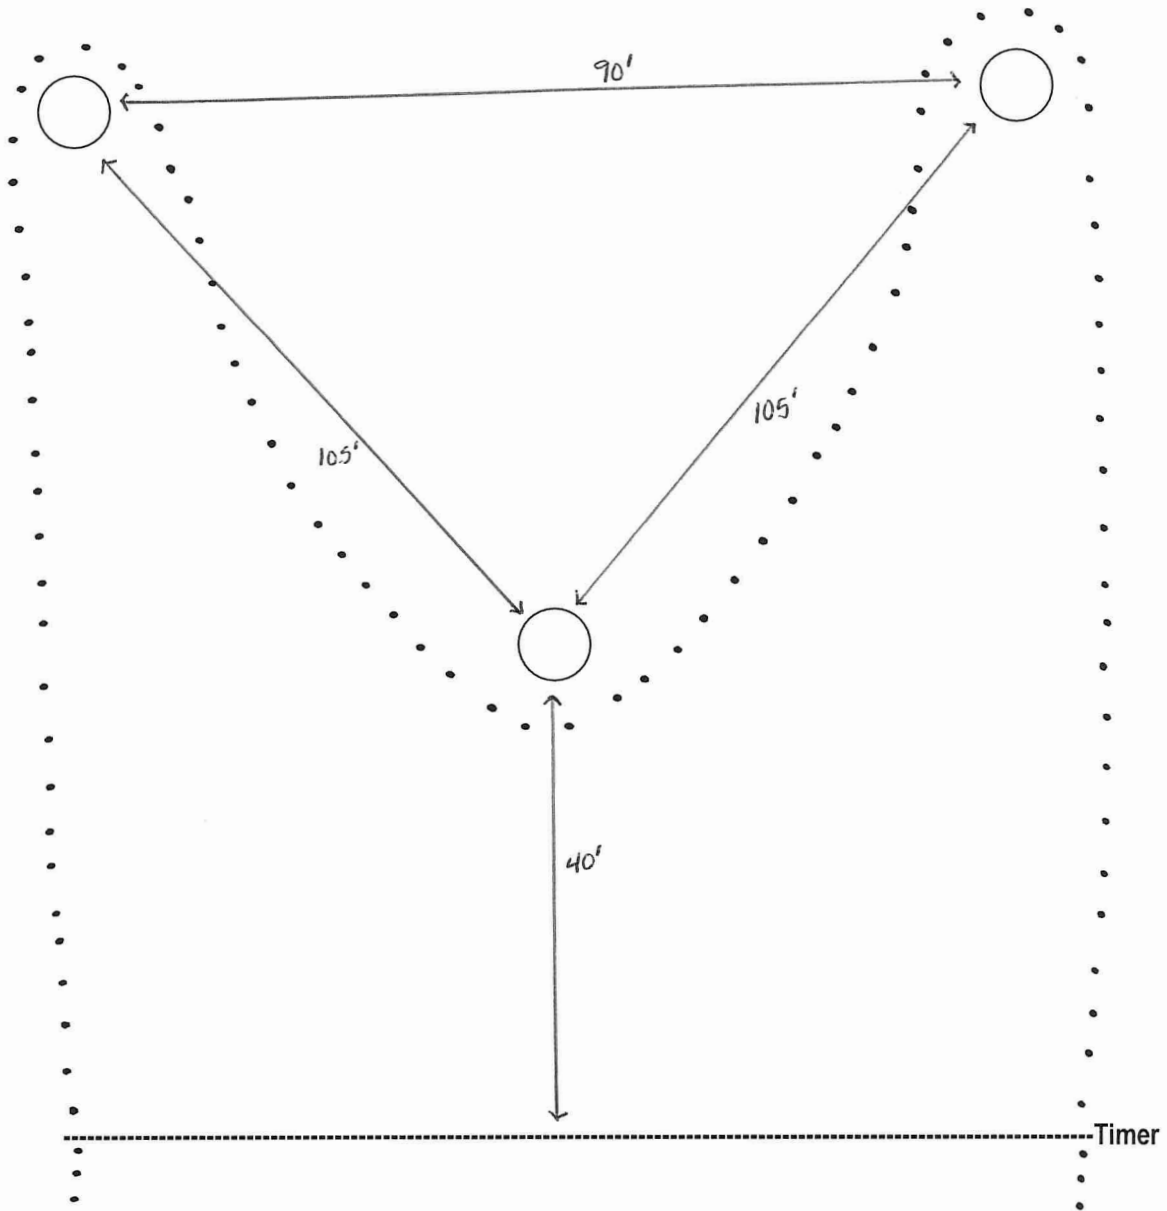

Bend and Jump

You must start on the right hand side. Three standard size poles and one 55 gallon barrel are to be used.

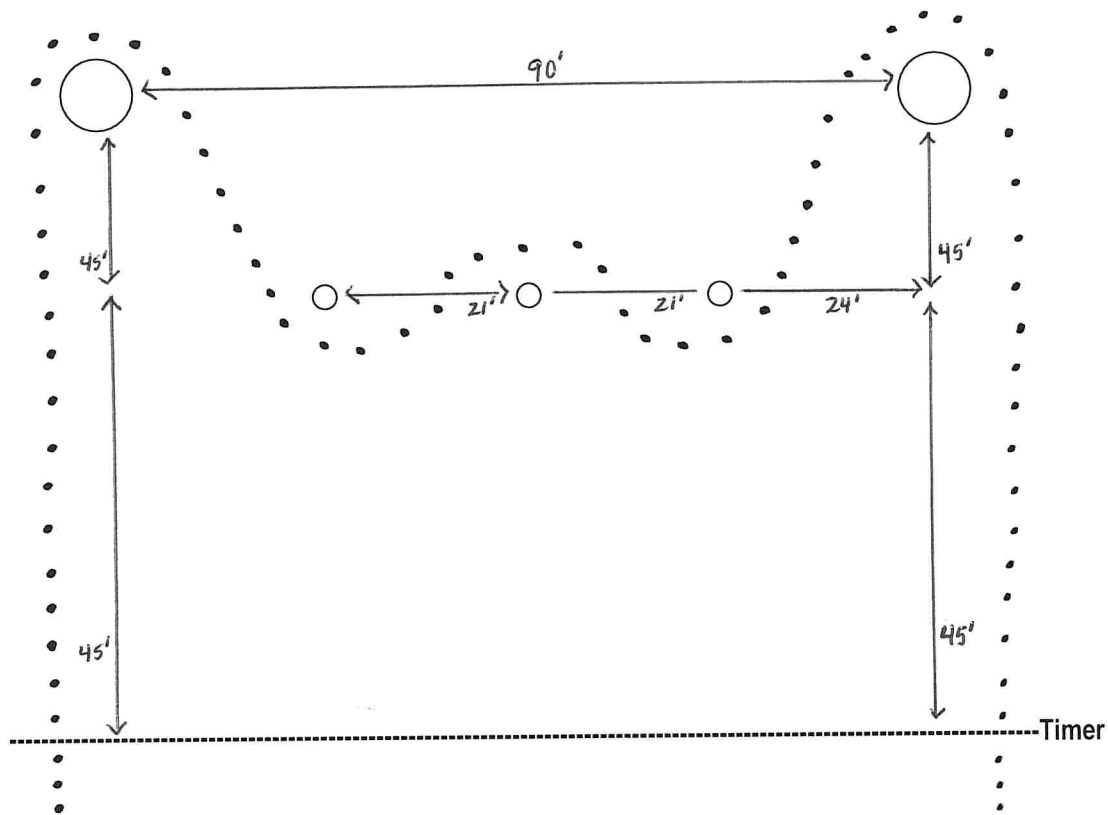

Big M

Right or left hand pattern may be used. Three 55 gallon barrels are to be used. If arena size warrants adjust barrels closest to the fence so that they are not closer than 15 feet to the fence.

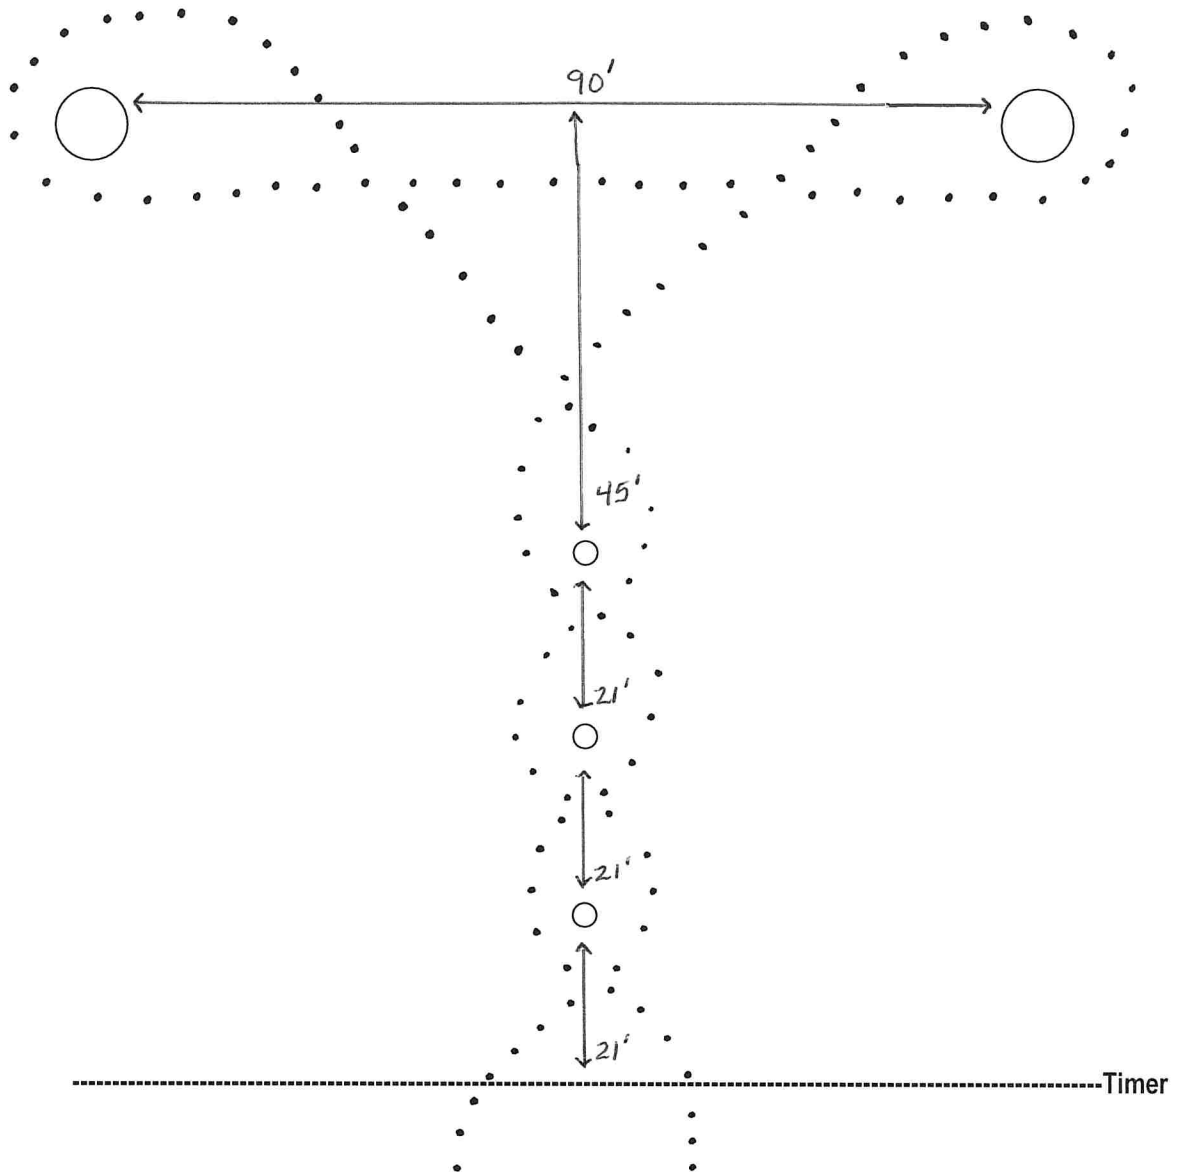

Big H
Right or left hand pattern may be used. Two 55 gallon barrels are to be used along with 3 standard sized poles.

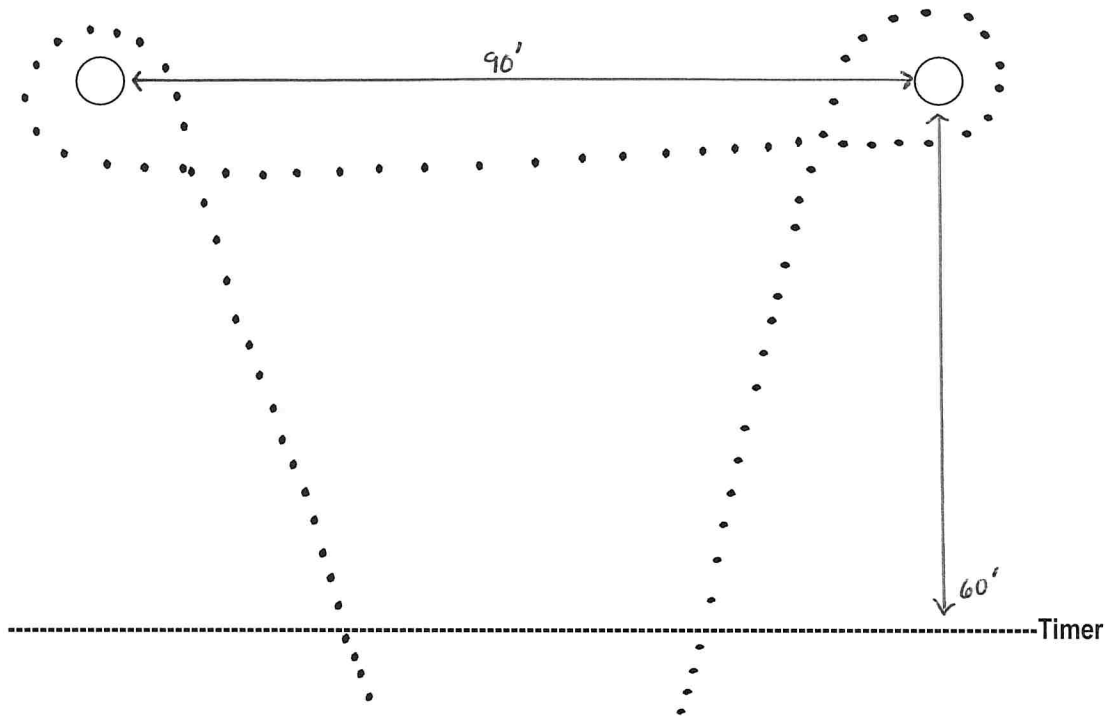

Big T

Right or left hand pattern may be used. Two 55 gallon barrels and three standard size poles are to be used.

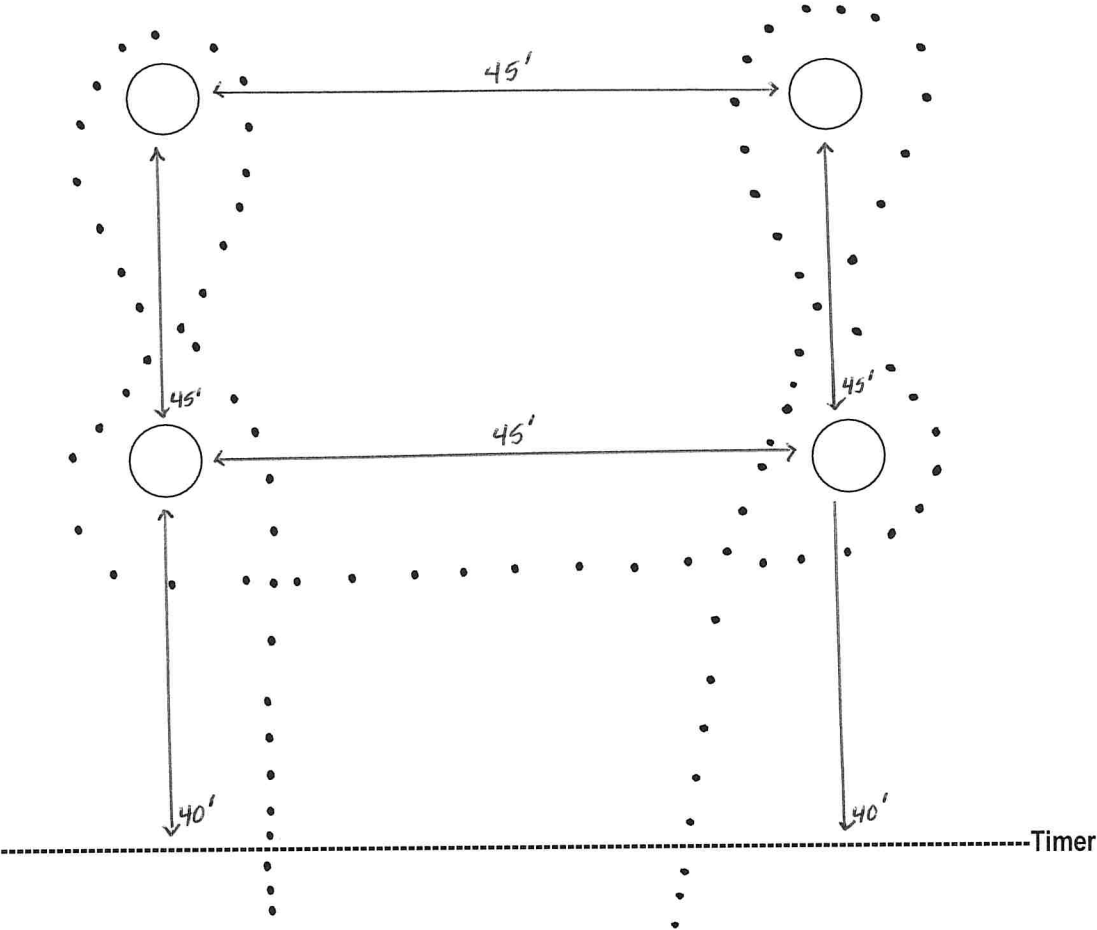

Bowtie

A right or left hand pattern may be used. Two small barrels are to be used.

Double Figure 8

Right or left hand pattern may be used. Four 55 gallon barrels are to be used.

Double Bowtie

Right or left hand pattern may be used. Three small barrels are to be used.

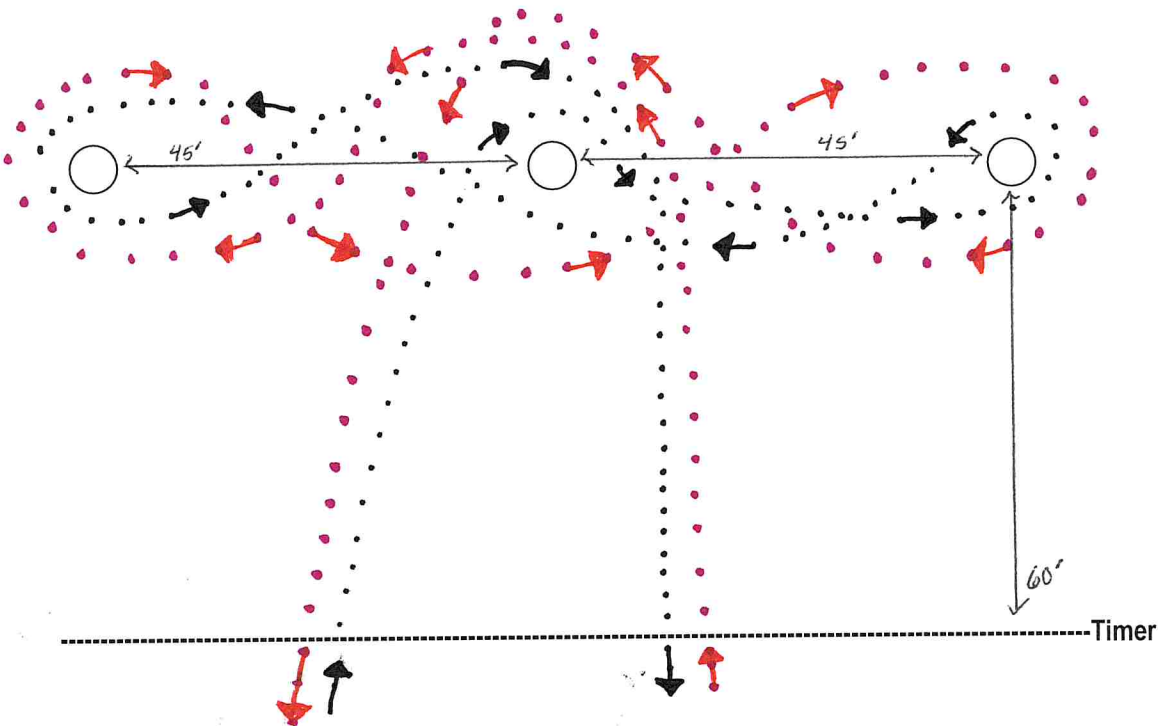

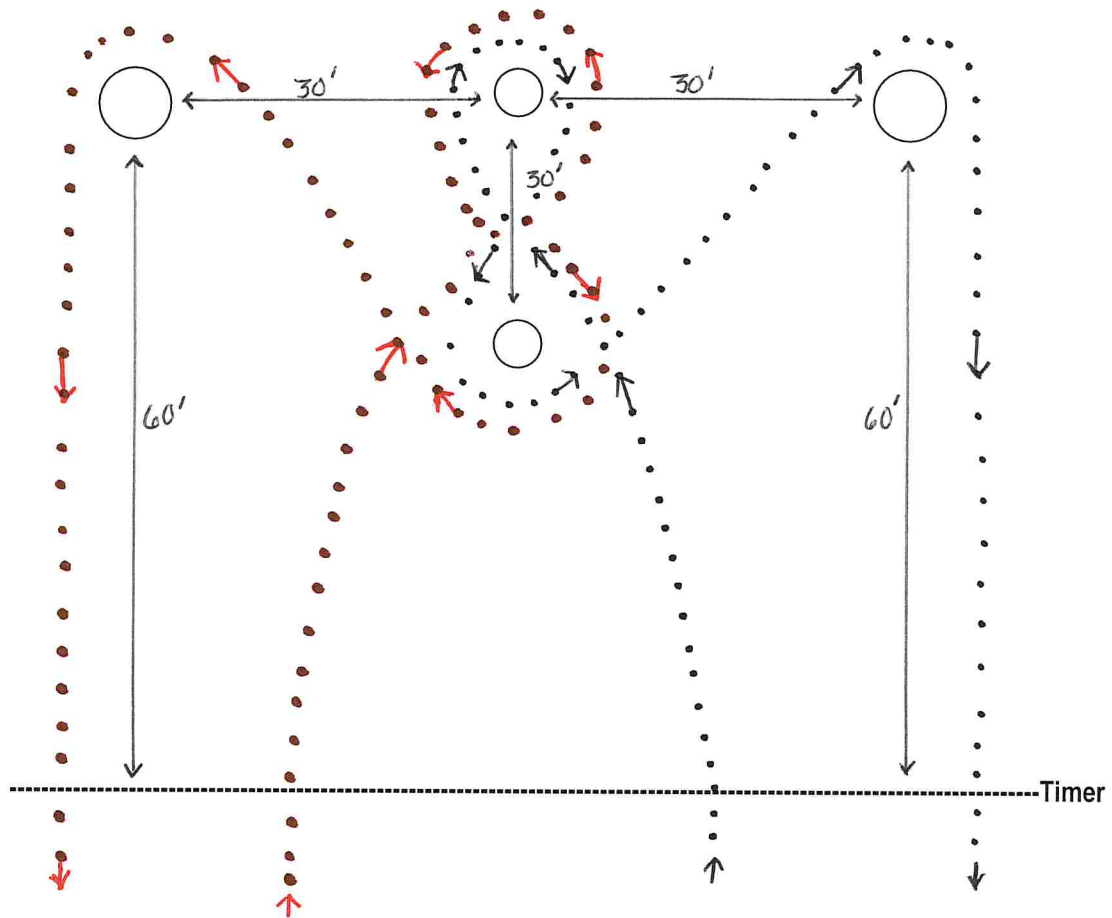

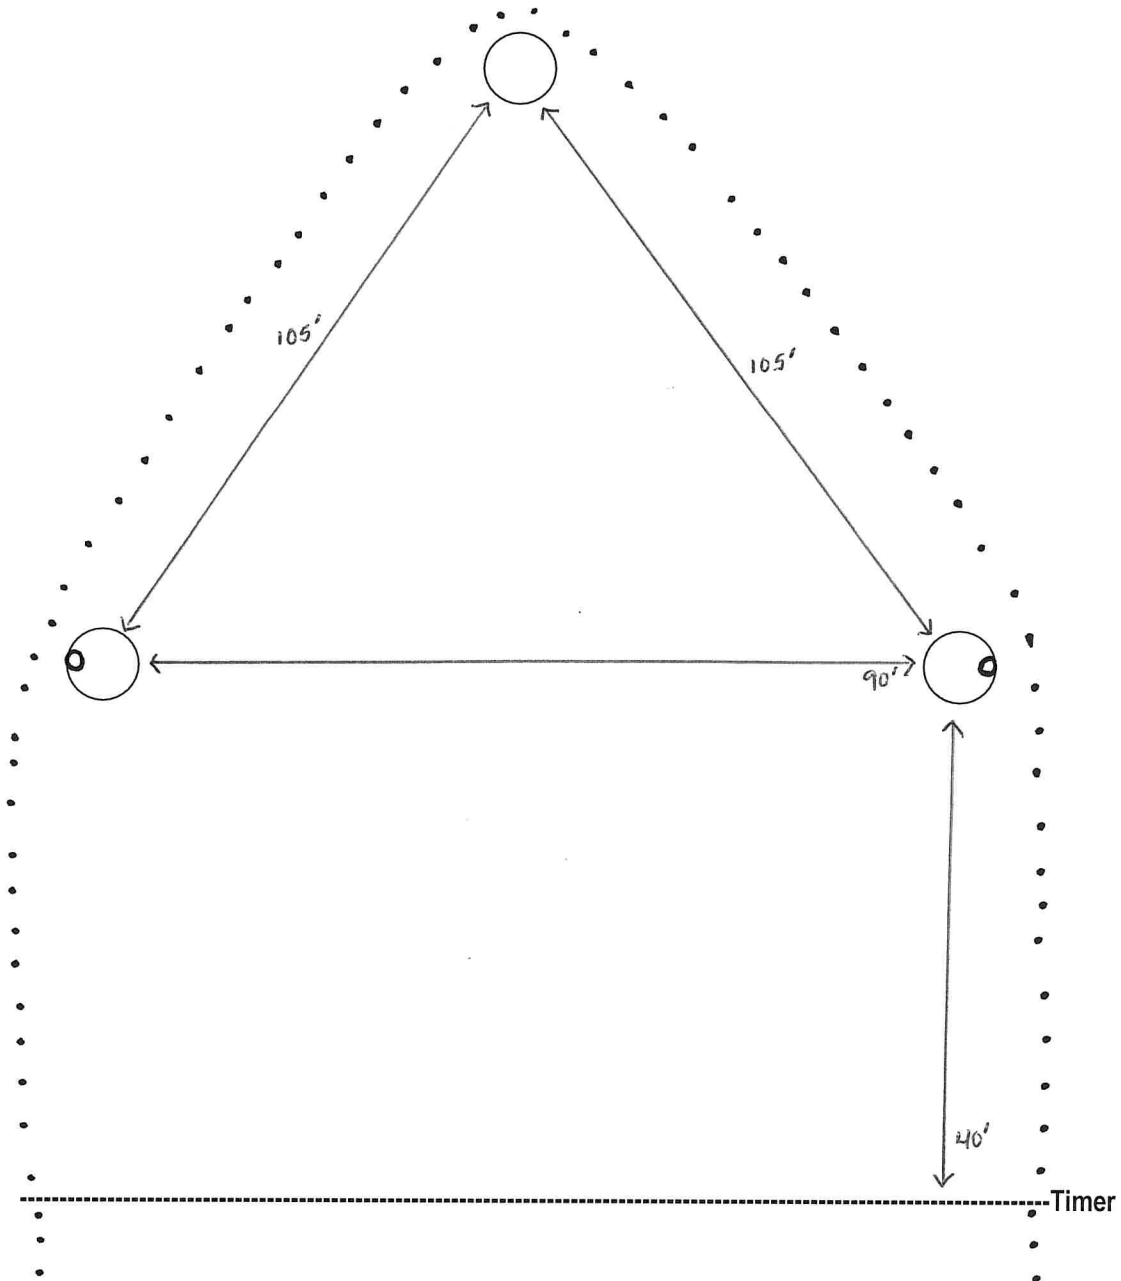

Figure 8 Cowhorse

Right or left hand pattern may be used. Two small barrels and two 55 gallon barrels are to be used.

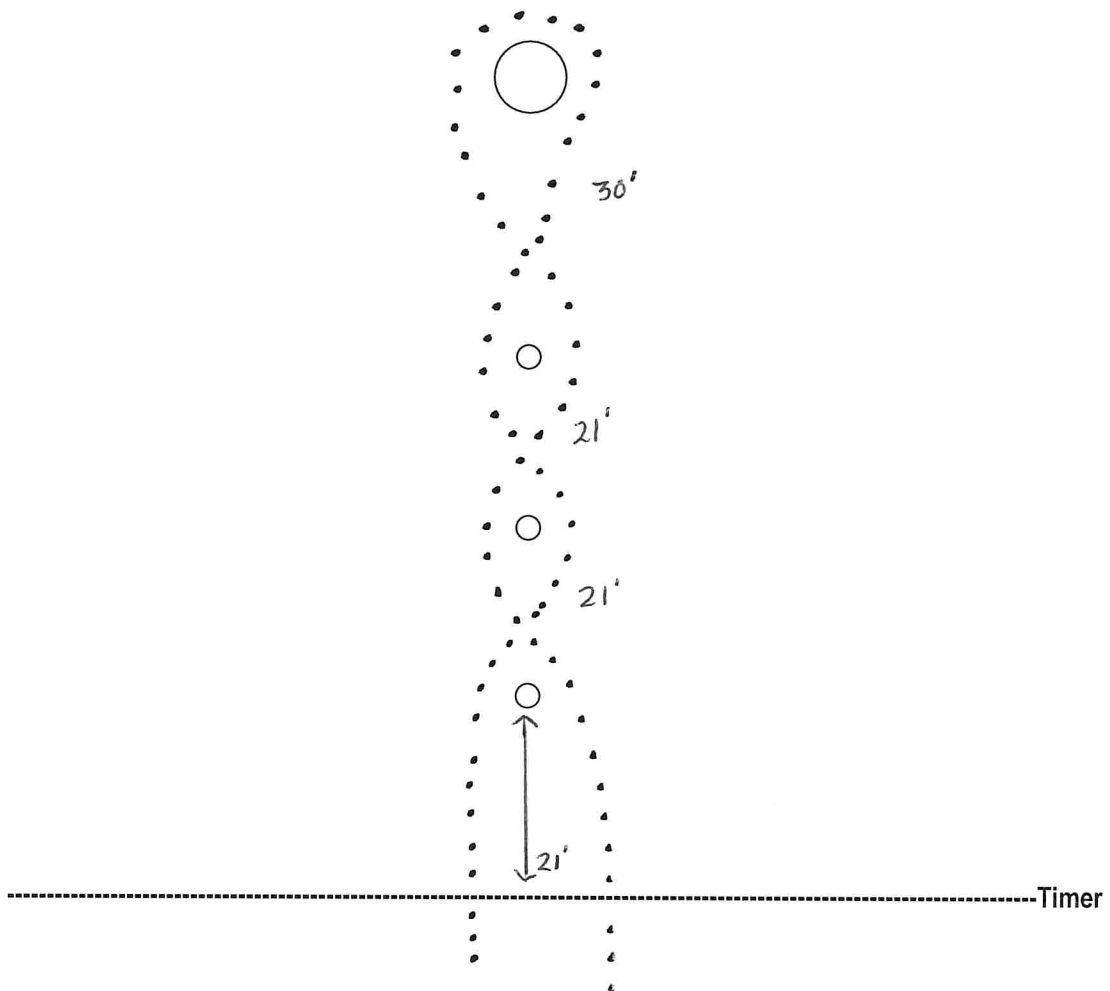

Flag Race

Right or left hand pattern may be used. Three 55 gallon barrels are to be used. Sand must be used in buckets and must be 3" to 5" from the top of the five gallon plastic bucket. Flag stick must be 14" to 18" long and must be placed straight up and down on edge of bucket with the flag open. Flag may be placed in the bucket by rider right side up or flag side down. Knocking bucket or barrels down, dropping flag or interfering with buckets or barrels falling are grounds for disqualification.

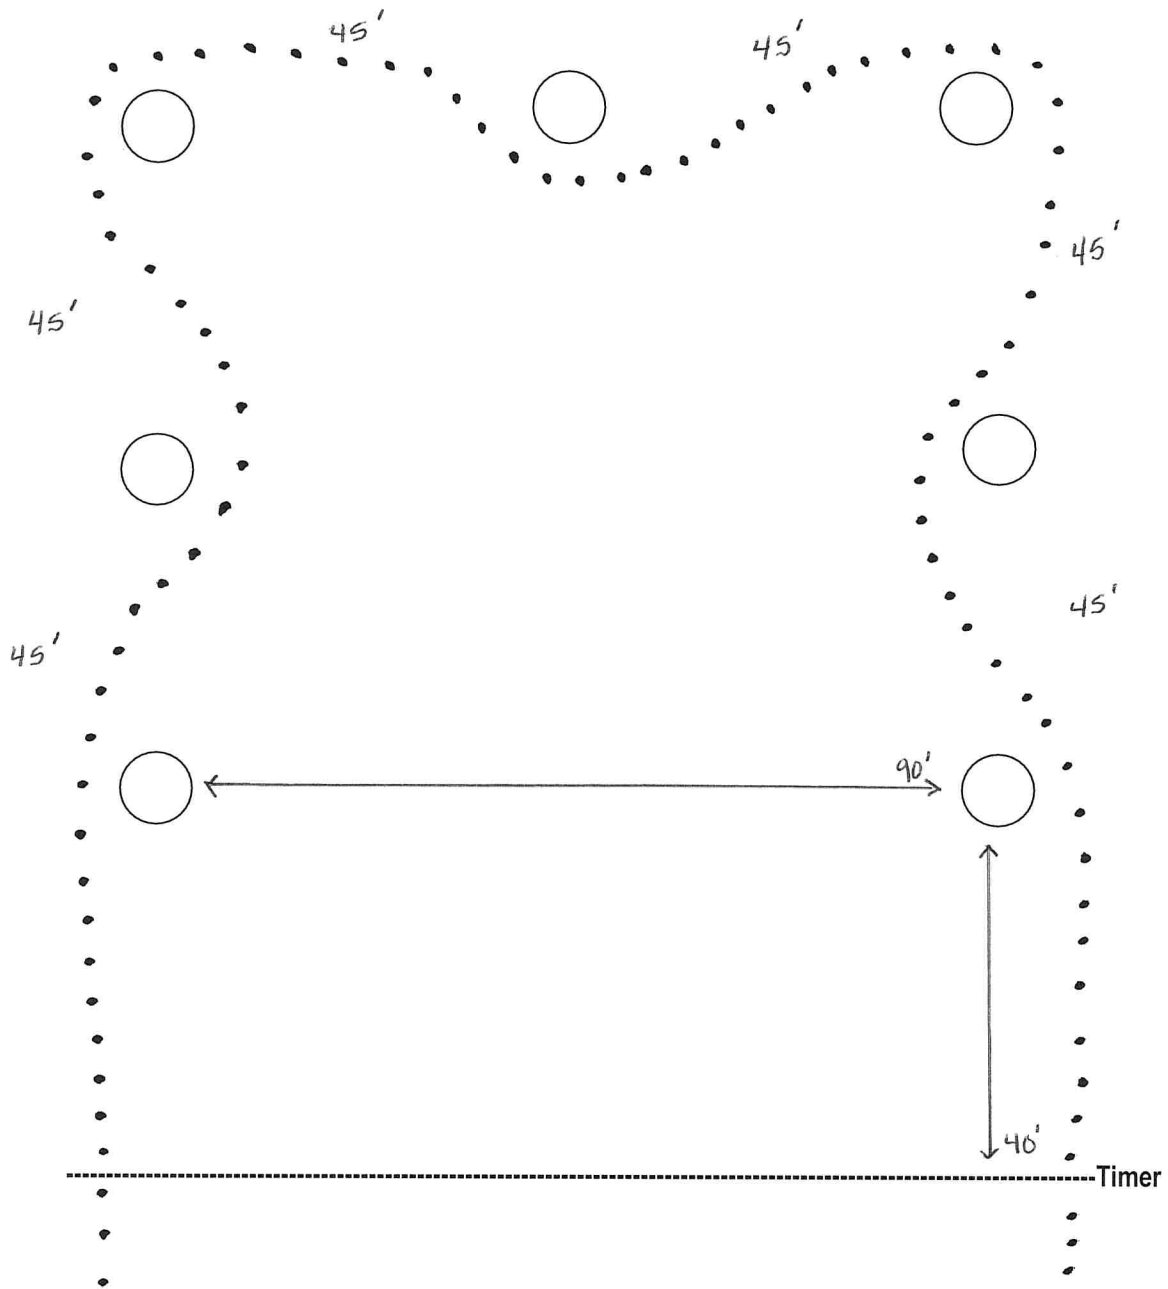

Hairpin

Right or left hand pattern may be used. One 55 gallon barrel and 3 standardized poles are to be used.

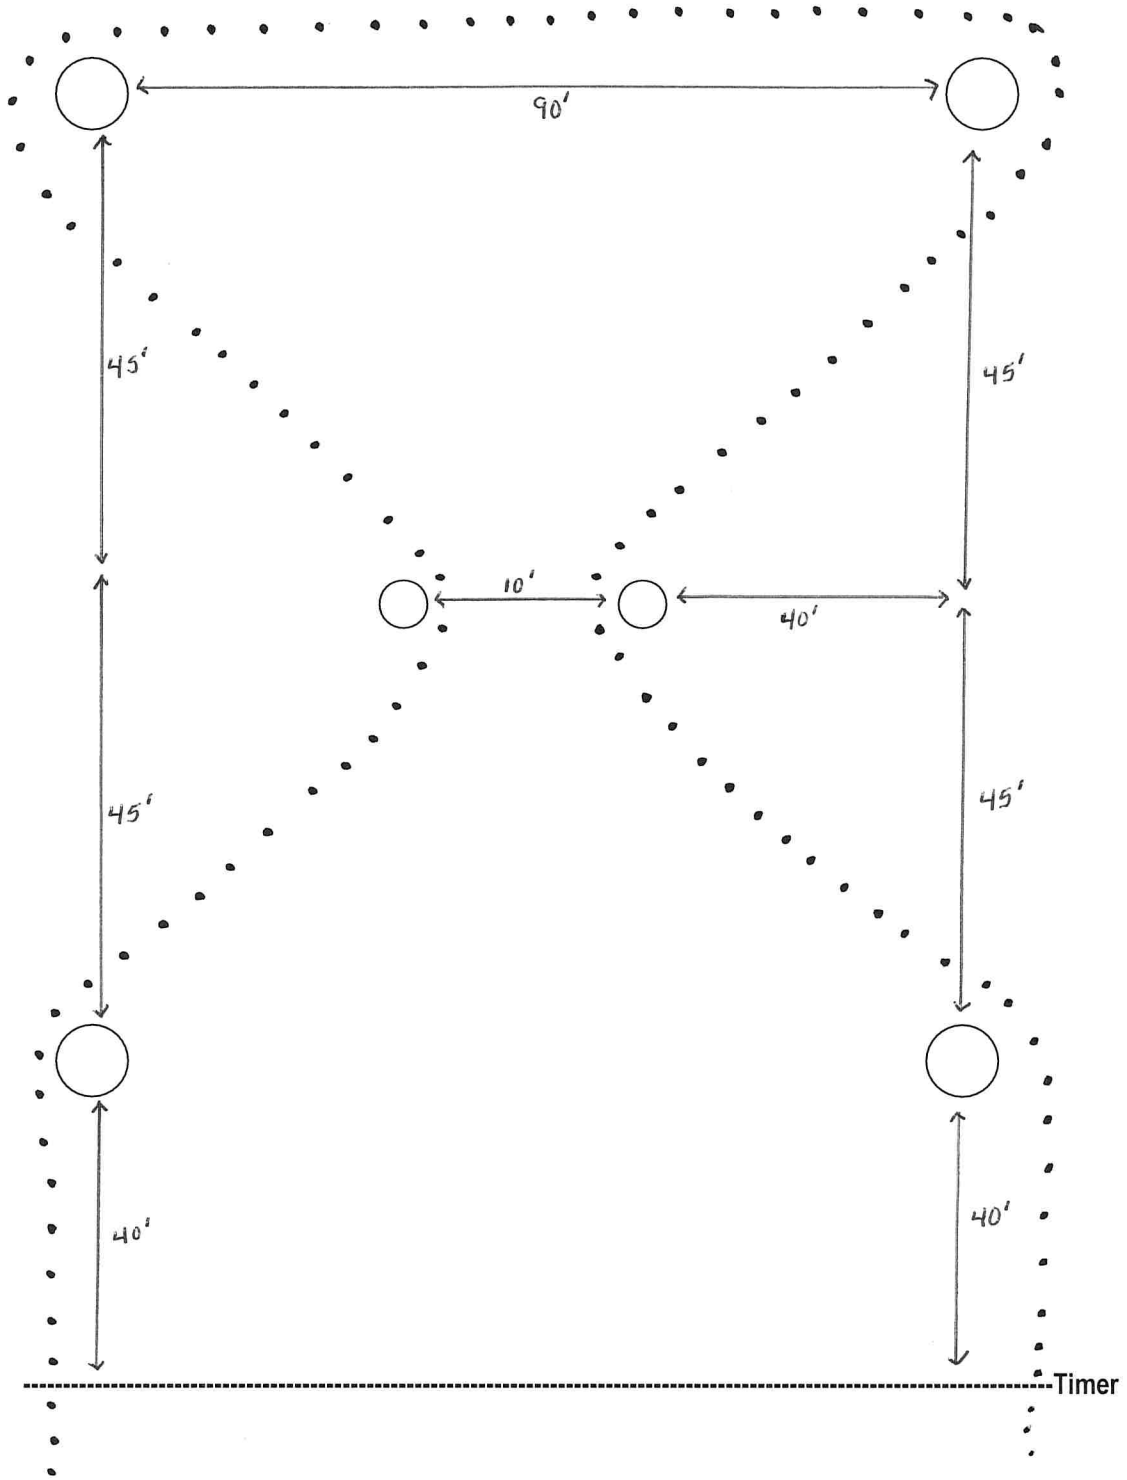

Horseshoe Barrels

Right or left hand pattern may be used. Seven 55 gallon barrels are to be used.

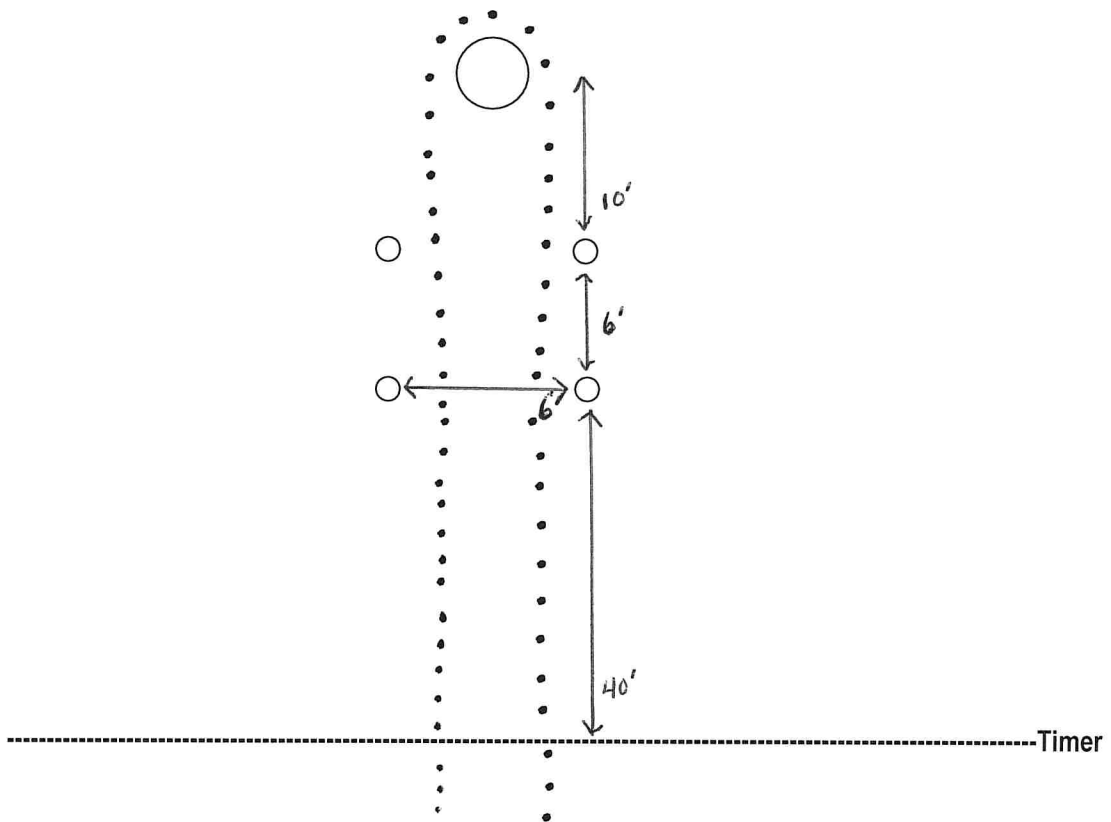

Hourglass
