Prices in effect 7/3/2026.

Starred * items will be 2" on consolidated items; whereas other Champion items will remain 1 3/4". We will sell soon-to-be consolidated to 2" Champion items that are 1-3/4" at the cheaper price until gone. Consolidated items will end up with Desert Equestrian UPC codes as designated on this price list. Some Champion brushes that remain Champion will still have the painted on logo that says 'Winner's Circle or Beasties Brands'. All items will be packaged 12 per box. **Could be 2 six-packs until new packaging is done. **PLEASE NOTE:** On all Tampico Fibers - they can vary in color from natural (yellow) to lighter (bleached). Horse hair fibers are either 100% premium or blended, which is a little firmer. We are moving to consolidate all blends over all similar same style models. Some Champion brushes will still have sleeves to hang brushes up, and we will offer sleeves as an upcharge for all brushes that do not come with them for .25 more.
