

Thank you for your interest in adoption through Wisconsin Westie Rescue.

At this time we are CLOSED to new applications to adopt. Please check back for updates.

Due to fewer dogs coming into rescue and many applications to adopt already on file, we do not feel it is fair to new applicants to apply with little hope of getting a dog in the near future.

If you have an application already on file you will be notified as new dogs do become available to adopt.

Feel free to contact us if you have any questions.
