## Language and Culture Program

### Overview

Eli Camps invites teens aged 13-17 from around the world to experience the vibrant city of Montréal through our top-tier programs. We seamlessly blend immersive language courses with unforgettable cultural adventures. Our all-inclusive package covers every detail, from airport pickup to final farewells. Choose between our immersive residential/live-on-campus option or flexible day-only format.

### Language Component

Senior Students (Ages 13-17)

Immerse yourself in our vibrant French and English programs, offering 20 lessons per week with certified experts in interactive, small classes of 15 students. Experience hands-on learning through a dynamic curriculum that covers grammar, speaking, and writing. Elevate your skills with electives like Journalism and Debate Clubs, where you'll apply your knowledge to create compelling content and engage in thought-provoking discussions. Excursions further enhance your learning by providing real-world contexts to practice language skills, making every classroom moment come alive with practical experience and cultural exploration.

### Trips

Experience Montréal like never before with our interactive after-school trips and excursions. Discover the city's rich history in Old Montréal, enjoy panoramic views, explore world-class art, dive into nature and savor local flavors. Eli Camps offers a deep dive into local culture, ensuring an unforgettable adventure through Montréal's iconic landmarks.

### Our Campus

Our summer campus is located at the McGill University, Montreal, Quebec.
