TORONTO

Language and Culture Program

elicamps
educate. lead. inspire.

Overview

Eli Camps welcomes primary, junior and senior students ages 7-17 to Toronto for English learning, cultural trips and campus life. Choose a residential or day program, with a limited host family option for seniors ages 15+. Residential students receive care from airport arrival to departure, with activities that build confidence and international friendships.

Language Component

Senior Students (Ages 14–17)

Seniors receive 20 English lessons per week in classes averaging 15 students, with five levels from beginner to advanced. A written and spoken assessment on the first Monday considers proficiency, age and language mix. Four daily classes cover core skills and an elective: IELTS Preparation, Journalism or Debate Club. IELTS requires sign-up at registration. Students can write for the Eli Camps newsletter and discuss global topics while practising English.

Primary (Ages 7–11) / Junior Students (Ages 12–13)

Our English program offers 15 lessons per week, blending interactive classroom experiences with exciting school trips. Certified teachers lead engaging lessons in small classes, with five levels available from beginner to advanced. Students take a placement test on the first Monday to ensure proper level assignment. The program includes three dynamic classes per day, Monday to Friday, and connects language learning with fun, age-appropriate excursions that reinforce skills in real-world settings. The classroom atmosphere is vibrant and enjoyable, making learning both effective and fun.

Excursions

After-school trips and excursions are a key component, offering students an immersive experience of Toronto's diverse, beautiful, and unique neighborhoods, including iconic landmarks like the CN Tower and Royal Ontario Museum. These trips showcase every corner of the city and provide a true cultural adventure that we lead while you enjoy.

Our Campus

Our summer campus is located at the University of Toronto, in the heart of the city's Bloor/Avenue area. The residences provide excellent amenities and services. The campus also features world-class academic facilities, modern classrooms, beautiful outdoor spaces, and a cafeteria offering all-you-can-eat quality meals.

TORONTO

Language and Culture Program
