TORONTO

Young Adult Summer Camp (18-23)

Overview

Designed for young adults ages 18-23, this program combines English learning, university life, cultural experiences and professional exposure in downtown Toronto. Experience the University of Toronto campus while meeting students from around the world, with staff guidance and the independence to make the city your own.

Participants attend 20 English classes per week, with approximately three organized activities or visits and one weekend trip. Outside scheduled sessions, enjoy free time to explore Toronto. Experiences may include the CN Tower, Ripley's Aquarium, Casa Loma, Kensington Market and Chinatown, with weekend destinations such as Niagara Falls, Canada's Wonderland, Toronto Island or St. Jacobs.

Selected workplace-learning opportunities and career-focused activities introduce Canadian professional life and practical English in fields such as education, tourism and international programs. Develop communication, writing, presentation and teamwork skills while building confidence and enjoying an international summer experience.
