LITTLE HOUSE ON THE SEA... The word "casino" comes from the Italian for "little house". It referred to a small part of a larger villa that was used for music, dancing and socializing and sometimes for a game of chance. Now the word "casino" is associated with the glitz, glamour and the bright lights of a place where anybody can wager money on games of luck and chance, whether it be the turn of a card, the roll of the dice, or the spin of a wheel.

Onboard this vessel our own "little house" is called Fortunes Casino. It is located on Deck 4. It comes complete with 243 slot machines and 15 gaming tables offering a variety of games, including Blackjack, Poker, Craps and Roulette. Don't forget you can always ask a friendly casino staff member to teach you how to play any game.

Whether you are an experienced casino player or are new to gaming, we invite you to play and win in Fortunes Casino.

BONAIRE is the second largest of the five Dutch Antillean islands. Though not as famous as the other two islands, Aruba and Curaçao, in the ABC trio, Bonaire is a water sports paradise featuring diving, snorkeling, windsurfing and water-skiing.

Often called simply "Playa" or "Beach" by local residents, Kralendijk is the sleepy capital of Bonaire, an island in the Dutch Antilles. Strung along one of Bonaire's many attractive beaches, Kralendijk is lined with delightful pastel stucco houses, in pinks, oranges and lime greens.

Creole is the favorite local cuisine, particularly influencing seafood dishes, from conch shell to grilled spicy fish and lobster. Caribbean influences to look for include papaya, plantain and funchi (corn-meal mush). And since it is the Dutch Antilles, there are many delicious smoked meats and excellent cheeses to be found. If you want to try an unusual local dish, ask for the cactus soup.

ARUBA is the westernmost Caribbean island, located 18 miles off the coast of Venezuela and 42 miles west of Curaçao. Covering about 75 square miles total, the island is 20 miles at its widest point and 6 miles at its longest.

Located on Aruba's beautiful southern coast, Oranjestad is the historic Dutch capital city of Aruba. It is also home to all of Aruba's government buildings and main offices. The climate of the area is perpetually sunny and welcoming, as are its people—Arubans are known for their friendliness and hospitality. The official language of Aruba is Dutch, but nearly everyone on the island also speaks English and Spanish.

CELEBRITY CRUISES HISTORY... In 1989 the Chandris family introduced the first Celebrity Cruises ship—promising cruisers a new kind of vacation that would surpass all others in terms of service, value, sophistication, and exceptional quality. The inspiration for the “X” logo came from the Greek alphabet, as “X” is the symbol for the Greek letter “Chi,” which is the first letter in the Greek spelling of Chandris. However, more than a reference to the Chandris family, the “X” now serves as the face of the brand. It is a powerful graphic emblem with strong recall, perfect in balance, harmony and symmetry. The Celebrity “X” has always stood for one thing: first in quality. The brand’s understated elegance and superior service set it apart from the rest of the pack. Compared to other main line choices which continue to offer bigger and bolder, Celebrity continues to win loyal guests seeking a more sophisticated, comfortable experience.

i INFORMATION

SETTLEMENT OF YOUR SEAPASS® ACCOUNT

If you provide a credit card during embarkation, you are not required to contact the Guest Relations Desk, as charges will be billed automatically to your credit card company. If using Cash or Travelers Checks, guests will receive a note in their stateroom requesting them to settle their account at the Guest Relations Desk, Deck 3, the day before disembarkation by 10:30pm. You may continue using your SeaPass® card during late evening hours, and settle your account again by cash and travelers checks on the morning of debarkation from 6:00am – 8:00am. Due to end of cruise accounting procedures, all accounts must be closed by 8:00am the morning of your debarkation.

GUEST QUESTIONNAIRE

In Celebrity’s continued effort to Save the Waves, we are no longer delivering the Guest Questionnaire to staterooms. All guests over the age of 18 who have provided us with their e-mail address will now receive an e-mail invitation to participate in an online survey on the day of departure. You will have one week to complete the survey, after leaving the ship. The survey works on smartphones, tablets, laptops and other computers and takes approximately 10-15 minutes to answer.
