Frequently Asked Questions

What about the kids?

We love welcoming little ones! Kids' meals of nuggets, fries and tomato sauce are available for **\$12.50 per child**. Simply let us know how many children will be attending at least **7 days before your function**, and we'll add their meals to your function payment.

We have an enormous open field directly in front of our dining area, giving kids plenty of room to run around and play. Soccer balls are available, or you're welcome to bring your own outdoor toys. We also have colouring-in activities, with bubble wands and frisbees available to purchase from our deli.

For little drinkers, we offer a great range of options, including soft drinks, mini milkshakes and our popular Smokehouse Sodas.

How does drink service work?

We're fully licensed and proud to offer one of the largest drinks lists in the Hunter Valley! From local wines and craft beers to ciders, seltzers, spirits, Smokehouse Sodas, soft drinks, milkshakes, coffee and tea, there's something for everyone.

When it comes to paying for drinks, you have two options:

- **Host-paid drinks:** You can cover your guests' drinks and choose a customised drinks list, limiting the selection to suit your budget. You can also set a dollar limit on your bar tab.
- **Guest-paid drinks:** Guests can purchase their own drinks by ordering via QR code from their table or visiting the shop counter inside.

The choice is yours, making it easy to tailor the drinks service to your function and budget.

What's the seating like?

Our indoor dining area features traditional tables and wooden chairs, while our outdoor dining area offers a mix of picnic tables and regular tables with cushioned chairs.

Larger groups seated outdoors are generally accommodated at picnic tables, subject to availability. If you have guests with accessibility requirements or young children who would benefit from standard seating, just let us know in advance so we can accommodate their needs.

Our entire outdoor dining area is fully covered, so you can enjoy the relaxed vineyard setting in comfort.

Can we bring decorations?

Absolutely! We love seeing a beautifully decorated table and encourage you to add your own personal touch to your celebration.

We just ask that you keep a few things in mind:

- Please avoid confetti and small table sprinkles — we'll be finding them for years to come!

- Balloons look fantastic, but keep in mind they can catch the breeze in our outdoor setting.
- Signs can be attached using Blu Tack, but please avoid sticky tape or anything that may damage surfaces.

Thank you for helping us keep our venue looking its best.

What about cake?

A celebration wouldn't be complete without cake! While we don't make cakes in-house, you're more than welcome to bring your own.

If you'd like us to provide disposable plates, forks and napkins, a charge of **\$0.50 per person** applies to cover the cost of these items. Alternatively, you're welcome to bring your own.

Please let us know in advance if you'll be bringing a cake so we can ensure there's room to store it in our fridge.

Can we have exclusive use of the entire premises?

Exclusive use of the venue is available for functions with a minimum of **100 adult guests**.

Please note that our shop and deli will remain open to the public during your function.

Do you open at night?

Unfortunately, we don't currently host evening functions. Damage to the outdoor lighting system following a previous bushfire means access around our driveway, car park and garden areas cannot be safely managed after dark.

We appreciate your understanding and look forward to welcoming you during our daytime trading hours.

Can we bring our dogs?

Absolutely! We're a dog-friendly venue, and your four-legged family members are welcome in our courtyard. Assistance dogs are also welcome indoors.

We have a dedicated dog-treat menu to spoil your pooch, along with fresh drinking water to keep them hydrated.

We simply ask that all dogs remain on a lead while on the property. With the tempting scents of local wildlife — including kangaroos, deer, foxes and rabbits — there's plenty to distract even the most well-behaved pup! We'd hate for your furry friend to head off on their own adventure.

Bring the family, bring the dog, and settle in to enjoy the relaxed atmosphere of Lovedale Smokehouse!
