

So much more...

THANKSGIVING BASKETS

We provide families with all the fixings for a Thanksgiving meal.

POINSETTIAS WITH PURPOSE

Share the beauty of Christmas by purchasing a poinsettia, with donations supporting the Ina Brown Early Childhood Education Center in Chapelton, Jamaica.

SENIOR TREE

Share the joy of Christmas by selecting a name from our Senior Tree and blessing an elderly individual with a thoughtful gift. Many seniors in nursing homes or assisted living facilities have little family support, and this act of kindness reminds them they are loved and not forgotten.

CHRISTMAS TOY PROGRAM

Parents who need a blessing during the holidays can come and shop for gifts for their children at no cost. This program provides dignity and joy, ensuring every child experiences the love and generosity of Christmas.

MISSIONS

across the street & around the world

"Missions is not a program of the church—it is the purpose of the church.

From the beginning, the church was called to go, serve, and make disciples of all nations (Matthew 28:19-20). Missions are not just an event or a trip but a way of life. It actively expresses God's love for the world through His people.

There is no divorce between the Great Commission and the Great Commandment—to make disciples and to love our neighbors as ourselves (Matthew 22:37-39). True missions are about relationships over relief—walking alongside people, not just providing for them. The goal is not simply to meet immediate needs but to empower and equip, to bring the hope of Christ into every aspect of life. Sustainable, Gospel-centered missions transform lives, not just for a moment, but for generations to come.

We are not the heroes of the mission field—Jesus is. Our role is to humbly serve, love, and lift others as we walk together in faith. Missions are not just about going somewhere; it is about being fully present wherever God has placed us, living with open hands and open hearts.

Thank you for being part of this calling. Let's go and make disciples together!

In the Grip of His Grace-

Pastor Chris Surber
Pastor Chris Surber

USA

We serve our local community through food distributions, general benevolence, and disaster relief efforts, providing aid to those in crisis. Our mission extends the love of Christ by meeting practical needs and supporting families in times of hardship.

CUBA

We help provide food and essential care for elderly individuals who often lack the resources they need to survive. Our support strengthens Christian communities, offering hope and love to those in difficult circumstances.

HAITI

We provide food, care, and spiritual support for the elderly in a Christian nursing home, ensuring they are loved and not forgotten. Through education programs, we equip the next generation with the knowledge and faith needed to build a brighter future.

Honduras

We love the Ebenezer School in San Pedro Sula and come alongside them to empower and equip teachers to shine the light of Christ in students' lives. We also serve communities through evangelism, medical outreach, and compassionate care to meet both physical and spiritual needs.

Our Mission

Our mission extends beyond our walls, reaching those in need both locally and globally. We serve our community through food distributions, benevolence programs, and disaster relief while also supporting education, elderly care, refugee support, and evangelism locally and around the world. Whether through hands-on service, financial support, or prayer, we are committed to sharing Christ's love in tangible ways, bringing hope and transformation to those we serve.

Our Goal

Our goal is to raise at least \$24,000 a year for missions and outreach, with \$6,000 allocated to each of our four focus areas. We accomplish this through one-time donations, designated offerings, and ongoing general support. Additionally, we hold special offerings to support those who go and serve on the field through mission trips.
