terms & conditions

**TERMS:** The terms of the sale are cash or cheque, payable at par upon receipt following the sale. The right of property shall not pass until after settlement has been made. Each animal sells to the highest bidder.

**REGISTRATION:** Each animal will carry papers issued by the Canadian Angus Association. A certificate of transfer will be furnished to the buyer for each animal after payment has been made.

**HEALTH:** All animals in the sale will have met all necessary health requirements, and will have passed a semen test, and breeding soundness evaluation.

**GUARANTEE:** Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set by the Canadian Angus Association with regard to health, freedom of defects and from both reproductive and genetic unsoundness.

**INSURANCE:** We strongly recommend that insurance is purchased for full value of the bull.

**DELIVERY:** Delivery may be available, and should be discussed between the purchaser and seller

HOW TO PARTICIPATE IN THE DLMS FARM GATE  
TIMED AUCTION WITH EXTENDED BIDDING:  
found on the inside back cover

# Welcome

Welcome everyone to our 4th annual timed online bull sale. On behalf of our family, I would like to thank all of our previous bull buyers, as well as all past bidders and those who have shown interest in our program.

At KS Cattle Corp., we work hard all year. We are always looking for new genetics, so that we will always have something to offer to our returning customers. Our feeding program is designed to develop yearling bulls in time for breeding season, with the longevity of the bulls in mind. We also spend countless hours around our animals, to maintain docility. We take great pride in our bull pen every year, and we look forward to showing them off to you. No bulls have been sold prior to the sale, so that you have the opportunity to buy our top end genetics.

We are proud to be working with Aiden and Jayde once again. Their bulls have been a great addition to the sale offering and it's exciting to be able to offer both red and black angus genetics in this sale.

Please take note that we will be using DLMS for our timed online bidding this year, which is a different website than our previous year's sale. Online bidding is becoming more common in cattle sales, but if it's new to you, or need a hand with registering, please don't hesitate to ask for our assistance. We are always happy to help.

We welcome you to come to the farm any time to take a look at this year's offering. Don't hesitate to call.

The best way to describe this bull is that he is "a brick sh\*\* house." If you're in the need of a cow bull, you need to take a look at this guy.

If you need a heifer bull, take a look here. 81 lbs birth weight and a +8 calving ease.

I purchased 3 Glacier/Ms Instinct embryos from Bohrsen's in 2022. I ended up with 2 beautiful heifers and this stud. Glacier genetics are very sought after. One look at this guy and it will show you why.

# Welcome

Bar over AJ would like to welcome you to our 3rd annual sale with KS Cattle Corp. It was a great 4 years working them, as this past year I have transitioned to a Sales Representative position with Northern Livestock Sales. If you have any questions about marketing your cattle through NLS be sure to give me a call.

At Bar over AJ we are striving to raise excellent quality angus bulls that we would be proud to have in our own commercial herd. Bulls that you can count on to last and breed cows year in and year out, without sacrificing the quality angus bulls buyers love: Calving Ease, Maternal Traits, Calf Vigour and Structure without sacrificing performance.

We look forward to hearing from you and seeing you out at the farm! If you have any questions please don't hesitate to call or text.

Flush sister to 8L

Embryo Calf out of our 32A flush cow and the great Minburn Copenhagen 3Y. Recommend for cows, his birthweight is a bit higher due to his recip dam. Have never had a calf over 95lbs out of his whole cow family. 8L has a lot of frame and is made right, we are retaining his flush brother for in herd use and his flush sisters are at the top of the replacement pen.

13L is a sleep all night heifer bull, he is out of a 13 year old cow that has never given us issues. If you're looking for calves that will come easy with great vigour and structure this is your bull.

**Maternal Sister to 14L**

This guy has been a favourite from very early on. His maternal sister is a lights out bred heifer who will be having her first calf this year. 14L is smooth made with overall great mass. He has calving ease at 74lbs with some really good performance weighing 735lbs at 205 days. He is as the sound as they come, buy with confidence.

## HOW TO PARTICIPATE IN THE DLMS FARM GATE TIMED AUCTION WITH EXTENDED BIDDING:

1. Visit [www.farmgatetimedauctions.ca](http://www.farmgatetimedauctions.ca), click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to signup for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions simply enter your user name and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.
2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity.
3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest.
4. At closing time of the sale the entire sale will extend bidding for 5 minute if a bid is placed on any lot in the sale. Any bid received after 6 PM will extend the sale by 5 minutes from the time of that bid. When no bidding occurs for 5 min the computer will declare the sale finished.
5. Within 24 hours of the sale close the sale consignors will contact all winning bidders to arrange payment, transfer of pedigrees and delivery/Pick up of your lot.

If you require assistance with using the new DLMS Farm Gate web site, if you don't understand how to create a favorites list, if you can't figure out the proxy bid or you just plain want to bid via phone, please talk to any of the DLMS team or Sale Consignors.

**WHAT IS RACEHORSE STYLE SALE CLOSE?** Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

**HOW WILL EXTENDED BIDDING WORK?** When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.
