

Dimitris letter

Dear Community Stakeholder,

I am writing to you in support of Dimitris Magemeneas, who seeks to offer a free goals-based financial planning workshop in San Marcos.

I met Dimitris at Cal State San Marcos when we both were volunteering our service in the Executive in Residence program in the School of Business. He became an adjunct professor, and I was delighted when I was assigned to be one of his volunteer coaches for the class. Dimitris did a wonderful job of not only teaching but engaging everyone in the class. He listens. He reads the room. He connects with people.

He is active in the San Marcos community. He is passionate about financial literacy, and he is active in the San Marcos community. Dimitris would be a great resource for the community with this service.

Please feel free to reach out if I can help in any way.

Sincerely,

Nels Jensen
