COMPANY PROFILE

# INTRODUCTION

- Central Cal Plumbing is based out of Fresno, CA and was established in 2017 under the guidance and leadership of Arturo Espinoza, owner, a master plumber with over 20 years of experience in industrial & commercial field as well as in the residential area...
- Since 2017 we have grown from a small, tight-knit family of commercial plumbers to a company that now has the knowledge, resources, personnel, and capacity to complete large-scale, complex jobs while still being focused on customer satisfaction.
- We are continuing to expand and are serious about becoming a leading provider in new construction and remodels of state government, commercial and industrial projects throughout the central valley. To keep up with such demands we continue to increase the number of plumbing specialist on our team, including office personnel and keeping a strong relationship with some of the best contractors and parts suppliers in the area.
- We are a company that works to achieve a hassle free and efficient service thanks to our many years of knowledge and experience while also offering competitive rates and flexibility to our customers.

# MISSION STATEMENT

Provide high-quality, affordable plumbing solutions
