

CAPABILITY STATEMENT

Lernard's Land Services is a veteran-owned company with a skilled, cross-trained team committed to delivering high-quality results. Our staff is experienced and highly motivated, ensuring efficient teamwork and consistent performance on every project. We prioritize strong client relationships and a relentless focus on excellence to exceed expectations on each job.

CORE COMPETENCIES

- **Site Preparation:** Comprehensive preparation of land for construction or development, ensuring the site is properly graded and ready for the next phase of work
- **Land Clearing:** Efficient clearing of vegetation, brush, and obstacles to prepare land for construction, agricultural, or other uses
- **Dirt Removal:** Professional removal and disposal of excess dirt or debris, ensuring a clean and level work site
- **Debris Removal:** Thorough removal of construction, tree, or other debris, ensuring the site remains ready for further work or development
- **Sod Work:** Installation of high-quality sod to enhance landscaping and create lush, sustainable green spaces
- **Tree Removal:** Safe and efficient removal of trees, including hazardous or unwanted trees, ensuring minimal disruption to the surrounding environment
- **Tree Stump Removal:** Complete removal of tree stumps and roots, preventing regrowth and clearing the area for new landscaping or construction
- **Landscape Services:** Comprehensive landscaping services, from design to installation, including planting, mulching, and maintaining aesthetic and functional outdoor spaces
