### **Check-In & Set-Up**

Set-up hours are Thursday 9:00 am-7:00 pm, you must check in by 6 pm on Thursday. There will be no Friday morning check-in.

We will have check-in setup at the loading dock at the back of the building.

8 Foot **Tables** are available to rent, they are \$10 each. If you have not reserved

them ahead of time, you may add them at check in. **Chairs** are available to rent for \$2\chair.

If you have reserved **electric**, we will have an extension running to your booth or a box to plug directly into. Electric will not be available to add at the show, please make sure to reserve what you need.

All booths need to be complete 1-hour before the show opens. Booths that have not checked in by 6 pm on Thursday will be released and will result in automatic loss of space assignment, and loss of all deposit. There will be no set up allowed once the show doors are open, no exceptions. No dollies are allowed in the building and no product/boxes are allowed in the aisles once the show doors are open.

### **Loading In**

There are 2 loading ramps that can accommodate 3 vehicles each. You may pull up to unload directly into the building but must move your vehicles before you start setting up.

We will have helpers to assist you if needed for load in and load out, **they work on tips**, this is not a complimentary service. Please be sure to bring your own dollies, we do not supply them for vendor use.

### **Booth Appearance**

We will be setting up RED drapes behind and between vendor booths. This is a holiday shopping market, please decorate your booth accordingly! This could be a few trees, garland or lights to accent your booth. Tablecloths are required and should be floor length, do not leave boxes/storage showing under your tables.

### **Parking**

Please view the map for parking. American Bank Center charges a parking fee, but we have a designated area for complimentary **trailer and vendor parking in LOT 10**. Lots 1, 2, and 3 are for customer parking only.

### **Lunches**

The building will be serving concessions, this will be located along the back wall.

### **Break Down**

Please do not break down your booth before the show is over while our customers are still shopping. No dollies are allowed on the floor while the show is still open, no exceptions. This is strictly prohibited, not only does it bring the

show to an end early in the area which you are located, it interferes with other paying vendors and customers still shopping at the event. If this occurs, you will not be invited back to future events.

To ensure a smooth loading out process for everyone, please finish packing up your product before you pull your vehicle/trailer to the loading dock.

### **Gift Certificates**

Each booth is required to participate in our \$20 gift certificate drawings for customers at every market.

These are printed prior to the show and used for online giveaways, door prizes, etc. No change is given for unused value. We do not reimburse gift certificates, you do not need to turn these into us.

The number of gift certificates donated is as follows:

- Table Space, 10x10 & 10x15 Booths: 1 Certificate
- 10x20 Booths: 2 Certificates
- 10x30 & Up: 3 Certificates

### **Food Vendors**

Vendors that are sampling food items will need to obtain a health permit 30 days prior to the show.
