Wifi

Free guest wifi is available at the building. A personal wifi code may be purchased at the fairgrounds office during their business hours.

We recommend that vendors bring their own personal hotspot for uninterrupted connectivity as a backup.

Booth Setup

All booths need to be complete 1-hour before the show opens.

When setting up your booth, please stay within your designated booth space. Do not place displays, racks, etc. outside of your booth line. Vendors will not be allowed to "sell in the aisles", all selling should be conducted within your booth. Staples, pins, nails, stickers, paint, masking tape and duct tape are not allowed on walls, floors, poles or drapes.

Booth Appearance

We will be setting up RED drapes behind and between vendor booths. Half booths may not have drapes depending on location.

This is a holiday shopping market, please decorate your booth accordingly! This could be a few trees, garland or lights to accent your booth. Tablecloths are required and should be floor length, do not leave boxes/storage showing under your tables.

Decorative tables do not require tablecloths.

Market Map

You can view your booth location on the map prior to the show on our vendor portal. We reserve the right to make slight adjustments due to product separation, sizing, electric needs, etc. Please log back in before the show to confirm location.

Lunches

We will have food trucks serving lunches at the back of building B/C. There are picnic tables here for seating.

Break Down

Packdown begins at 4 pm on Sunday; vendors are not allowed to break down before the market ends. No dollies are allowed on the floor while the show is still open, no exceptions. If this occurs, you will not be invited back to future events. To ensure a smooth loading-out process for everyone, please finish packing up your product before you pull your vehicle/trailer to the loading dock.
