

Over the past 13 years, Home for the Holidays has continuously brought the finest, well attended holiday gift markets to our community.

As we close out 2020, we have three outstanding gift markets and would like to offer you a great opportunity to promote and market your company or business organization.

At each market we will hand out a free shopping bag to each show attendee. These are local area shoppers looking for your products and most live in nearby areas.

You simply supply us with your flyer, coupon, brochure, business card or even a product sample and we will even pick up from you.

Over 3500 bags will be handed out at each event. The deadline is 7 days before each event

The fee is \$50 per market or \$125 for all 3

If you would like to sponsor the bags and have your name and logo on all the bags, please contact me!

Please see the attached show schedule and shopping bag promotion application

Please contact me directly to have your promotional insert to be picked up or with any questions
