NEW YEAR, NEW LOOK!

Welcome to 2026! As we greet the new year, join us in celebrating our new monthly newsletter. We are excited to announce that **The Messenger** will be our new way of communicating the exciting things going on in the life of our church. Keep informed with the missions we support, a note from one of our pastors, the calendar of events, our attendance and finances, our prayer concerns, and much more.

For those of you who still desire the weekly communication, we've got you covered. We will be sending a weekly email called **ACC Connect** each Wednesday. Look for important reminders, times and dates of events, and more.

If you'd like to receive our weekly email (and we don't already have your email address on file), please let the office know. We want everyone to be informed about what's happening here at Antioch Community Church. God is good, and He is on the move. Don't miss out.

MISSION MOMENT

One of the many outreach efforts our church supports is the Northland Clothing Center (formerly Clay County Clothes Closet). We donate coats, make financial contributions, and give them space in our lower level to store clothing items. This organization exists to meet a basic human need: adequate clothing for every person in our community. Serving individuals and families in the Kansas City Northland, they provide free clothing that helps protect from the elements, boost confidence, and open doors to education and employment.

They believe what we wear affects how we see ourselves and how others see us. By offering clean, well-fitting clothes—from everyday essentials to work and school attire—Northland Clothing Center restores dignity, supports independence, and helps people succeed in life's next steps.

Whether it's a child headed to school, a job seeker preparing for interviews, or a family getting back on their feet, the Center is a place of hope, respect, and community care. We're grateful for what they do here in the Northland and proud to partner with them.

PASTOR'S POINT

As we turn the calendar to 2026, we stand at the edge of a new chapter—much like the Israelites at the banks of the Jordan River, facing the unknown with both excitement and uncertainty. Their story, recorded in Joshua 3, reminds us that God's promises, power, and presence are with us as we move forward.

The Israelites faced daunting obstacles: a river at flood stage, overwhelming odds, and the weight of their past. Yet, God called them to step out in faith, promising to lead them into the land He had prepared. The priests carrying the ark of the covenant had to get their feet wet first—trusting that God would make a way where there seemed to be none. Their faith was not passive; it was active, bold, and expectant.

In our own lives and as a church, we encounter obstacles—fear of change, holding on to the past, doubts, and challenges of all kinds. But God's invitation remains: "Get ready, get prepared, get excited, because tomorrow the Lord will do amazing things among you."

This new year brings opportunities for growth and transformation. We're planning to hire a contemporary music worship leader for our Saturday night service, we want to strengthen our ministry partnerships, we will strive to improve communication, and we will seek to reach our community in fresh ways. These changes may feel intimidating, but together, by faith, we can step into God's future for us.

Let's be a congregation with "yes" faces and "yes" faith—willing to move forward, get our feet wet, and trust God to lead us. By faith, we overcome. By faith, we lean into God's promises, power, and presence. Join me in stepping boldly into this new season, trusting that God will guide us every step of the way.

Blessings to you all,
Pastor Beth Armstrong

THIS MONTH AT ANTIOCH

Saturday, January 3

8am Men's Breakfast @ Corner Cafe
4:15pm Worship Team Practice
4:30pm Coffee Fellowship
5:00pm Worship and Holy Communion

NEWS & NOTES

The Property Team would like to acknowledge the work of the Scouts regarding a project that required attention for the church grounds. The fire pit area has been neglected for some time. Sticks and limbs had accumulated in the area and provided burning material for the homeless. Often left unattended, the fires created legitimate concerns for neighbors and unsafe conditions for our own facilities. The firewood is now secured. Additionally, junk had accumulated around the area that needed to be disposed of and the pavers within the fire pit required alignment. The Scouts, and specifically Steve and Michelle Steinkamp and son, Patrick, were largely responsible for completing this work. Thank you, Steinkamps!

ACC is extremely grateful for your efforts!
