Applied AI for Family Services: Empowering Advocacy Micro-credential

6-Sessions - Via Zoom

Every Monday, Sept. 15 - Oct. 20,

2:00–3:15 PM ET

Make-up options available for Weeks 1–5 · Week 6 is optional Make and Take

For questions email info@earlyedpro.ai or go to <https://earlyed.ai>

Week 1 – What AI Means for Family Services

Discover how AI can support advocacy, streamline tasks, and expand your capacity to connect with families — all in a way that's safe, ethical, and accessible for beginners.

Week 2 – Better Notes, Emails, and Reports in Half the Time

Learn how to create professional, empathetic notes, emails, and reports in a fraction of the time, while keeping your authentic voice.

Week 3 – Smarter Scheduling, Goal Tracking, and Family Engagement Plans

Explore ways AI can help with scheduling, tracking goals, and building family engagement plans that are both personalized and efficient.

Week 4 – Using AI to Support Equity, Language, and Cultural Relevance

See how AI can help you create multilingual and culturally responsive materials that strengthen trust and inclusion.

Week 5 – Document Smarter: Case Notes, Follow-Ups, and Compliance

Discover AI strategies for managing case notes, follow-ups, and compliance tasks without adding to your workload.

Week 6 – Bonus Week: Practice Lab + Building Your Toolkit (Optional)

Join this optional, hands-on workshop to put your skills into action, explore new tools, and leave with a ready-to-use resource tailored to your role.
