

"Sometimes, carrying on, just carrying on, is the superhuman achievement." -Albert Camus

I want to send my deepest concerns and warmth to all of you in Southwest Florida who were impacted by Hurricane Ian. We had some issues in Sarasota but nothing like those of you south of us. If I can help in any way, please don't hesitate to reach out. Through hope and perseverance, I know you will rebuild better than ever.

Featured Painting - "Island Ride"
18" x 24" gallery wrapped canvas

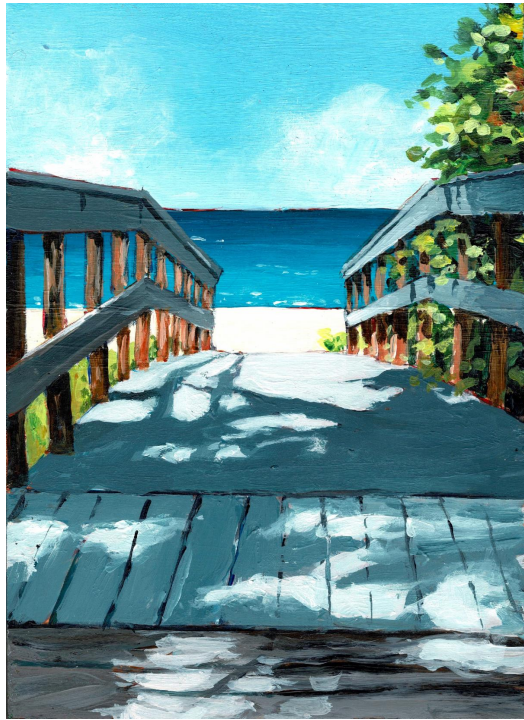

I think most of us share a fondness for bike riding adventures and the feeling of freedom that these adventures bring. My most memorable experience is from many years ago when I had 3 children still under roof. My husband knew I needed some time to myself so he offered to keep watch at home while I spent a long weekend in Nantucket. What a gift that was! I booked my room, borrowed a bicycle, and spent the weekend riding around the island, feeling the wind in my face, taking in all of the sights and sounds around me. I gathered so much beautiful reference that I am still, to this day, getting ideas from those photos. I'll never forget my island ride!
