We hope your time here is a highlight of your Denver visit. Please let us know if we can help.

**Continental breakfast:** available between **8am - 10am**. We brew fresh coffee at 7am. You can also use the coffee maker in your room to brew your own coffee before 7am. *For tea or french press, we have an electric kettle in the dining room / kitchen window.*

**Cleaning:** Rooms are thoroughly cleaned between each stay. Privacy and sustainability are two reasons we do not offer stayover (daily) cleaning, but we are happy to refresh towels on request. If you use the dishes in your room, feel free to leave them for us to collect at the end of your visit, or let our staff know if you'd like them washed. Please do NOT try to wash dishes in your room.

**Guest Cabinets** on the 2<sup>nd</sup> and 3<sup>rd</sup> floors are stocked with travel essentials & other helpful items.

**Temperature Control:** Some like it HOT and some like it COOL, so we keep the house thermostat set right around 70\*. To adjust your room temperature, each room has fans and working windows, and portable space heaters are kept on each landing. Please text if we can help!

**Recycling / Compost / Trash:** ***Sustainability Matters & little efforts add up!*** Commingled aluminum, glass, paper + all plastic can go in your RECYCLING bin. Use your COMPOST bin for fruit/vegetable & peels, coffee grinds or tea bags. Thanks for helping us reduce our landfill waste!

**For your entertainment:** We keep games & puzzles in the Fireplace Lounge, in the labeled cabinet below the large mirror. You can also access your streaming services on the Smart TV in your room, or choose from pre-loaded shows on "LG TV". To watch local channels, press the 'Home' button, scroll to 'TV Inputs' and select 'Live TV/Antennae'. We do not have cable TV.

**Wine List:** Flora House Sommelier & Owner Jen has gathered a selection of wine & beer for guests to choose from. Call or text to order before 8pm. **Scan for options:**

**Smoking is not permitted inside.** This policy is strictly enforced, with a minimum fee of \$250 for violations. If you wish to smoke, please do so outside in the garden and patio where you'll find several **heaters**, a **fire pit**, and even **blankets** near the back door to help you stay cozy. *Please be considerate and always use ashtrays and waste/recycling bins provided.*

*Quiet Hours 10pm - 8am. Please be considerate of other guests and our neighbors during this time.*

Please give at least 24hrs notice for your request, and specify the **date** and **time** you'd like to go. We can also make you a **Fresh Packed Picnic for 2** (please order *24hrs in advance*), with or without a bottle of wine from our list. The Botanic Gardens allow BYOB!

**Hot Tub** PLEASE Shower before entering the Hot Tub. Located in our private garden, this is for the use of all guests. Please do not use your white room towels for the hot tub; you'll find hot tub towels at the back door. You are welcome to wear your robe! NO GLASS in the Hot Tub (use cups by the back door). Children must be supervised. *Please keep noise down after Quiet Hours.*
