

## *Sell or trade your gently used clothing to us!*

We will give you a Cash offer  
or Trade for in store credit.  
We purchase based on need, and  
condition of items.

How our process works:

Step 1- make a trade appointment

Step 2 - bring in your clean items limit of  
about 2 totes and our buyer will review your  
items while you look around.

We pay approximately

**25% of what we could potentially sell the  
item for in store,**

or 50% in store credit good for 90 days.

We do not buy luxury designer brands, as  
these are costly to authenticate. We also do  
not buy fast fashion brands. However we will  
accept them as donated items.

Trade-in cards not used within 90

Days are forfeited
