

Together with Capstone Administrators, HBA of SC Group Insurance Trust offers Benefitsolver® technology to streamline your processes.

Benefitsolver® is the industry leader in eligibility & enrollment technology. From COBRA administration to online tools that simplify your billing and financial reporting, this robust system is customized to meet your needs.

FEATURES

- » Enroll, view, and change elections for all benefits online
- » Review, download, and print benefits documentation (such as benefit guides, Summary of Benefits and Coverage, etc.)
- » View/add/change beneficiary information (person or trust)
- » View/add/change dependent information
- » Initiate benefit change based on life or work event
- » Upload documentation (such as any documentation required for dependent verification services)
- » Built-in Cobra management
- » Board room ready reports

REPORTS

Some of the most popular reports are:

- » Employee Census
- » Employee Census Benefit
- » Submitted Changes
- » New Hire
- » COBRA Qualifying Events
- » Employee Directory
- » Dependent Census Benefit
- » Address Change
- » Employee Termination

PARTICIPATION ANALYTICS

- » Summary of your population broken down by different demographics (gender, age, eligibility, number of dependents, marital status, and salary)
- » Number of enrolled vs. eligible by plan type
- » Demographic summary of participants broken down by each of your plans

BILLING

- » **Consolidated Billing:** Pay one combined invoice that includes all lines of coverage and is remitted to all carriers.
