

PLYMOUTH WATER DISTRICT
MEETING MINUTES
8/12/26

Present: Judy Lear, Steve Hale, Russell Harris

Meeting called to order at 3:16 p.m. Minutes of the July meeting were read and approved. Monthly water report was satisfactory. Minutes were read and approved of the administrative meeting held to interview a new maintenance person. Vouchers and P-cards were read and approved.

New vests obtained to identify PWD personnel were presented. Discussed the lock on the pump house, which needs to be repaired. Russell stated he would take care of it. Financial report was given. Discussed the booster station to be designed by NW Water Management. Steve stated he had questions regarding the proposal, Todd or Chip from NW Water Management will attend a meeting to discuss the proposal after the design is completed.

Russell stated he wanted to wait until Granite was no longer pulling water before bringing gravel to repair Blue Sky Road. Russell thanked the maintenance personnel for the improvement lately and all the work that has been accomplished.

Carol has compiled a list of water customers' names, addresses and phone numbers for emergency contacts and she would provide copies to all commissioners and maintenance personnel. Discussed whether or not to shut off water to BNSF as they have never responded to any attempted communications.

Russell reported on some procedures used by the Fire District in fighting fires. Discussed the tank alarm system and the possibility of purchasing a sump pump. Discussed the pressure reducing system. Steve spoke about the vault lid and proposed a possible design. A/R's were reviewed.

Meeting was adjourned at 4:45 p.m.
