

PLYMOUTH WATER DISTRICT
MEETING MINUTES
4/8/26

Present: Judy Lear, Steve Hale, Russell Harris

Meeting called to order at 3:23 p.m. Minutes of the March meeting were read and approved. Water report was satisfactory.

P-cards and vouchers were read and approved. Discussion of the control system and that Russell and Mark needed to be added as the contacts.

Some discussion regarding the pump being on manual rather than automatic for approximately a week before being repaired. Steve noted there needs to be an updated list of all customers and their contact phone numbers.

Discussion regarding booster pumps in the Strom addition and associated costs.

Discussion regarding the pressure reducing station. Steve will contact Marty with NW Hydro Tech about inspecting/adjusting the station on his next trip this way. Steve mentioned the lid needs to be repaired. Talked about securing the services of Spinks Engineering to resume the installation of new lines.

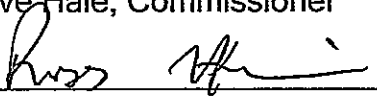

Kari brought a sample of the rust that was found in their system. It was noted that Todd from NW Water Management has said it could not be from our lines.

Discussed the promissary note signed by a customer that needed to be updated as he was not adhering to it. Julie McBean spoke up about the big mess left by Granite at the hydrant on Blue Sky. Russell stated he would make arrangements to bring in gravel to the site, hopefully by the beginning of June.

Meeting was adjourned at 5:01 p.m.
