

PLYMOUTH WATER DISTRICT
MEETING MINUTES
7/09/25

Present: Judy Lear, Austin Wyatt, Steve Hale

Meeting called to order at 3:06 p.m. Minutes of the June meeting were read and approved with one correction. Monthly water report was satisfactory. P-cards and vouchers were read and approved. Discussed recent lead and copper test results. It was reported that PWD was purchasing some chlorine from the Patterson Water District because they had received twice their normal amount.

Carol reported that Jeff had still not returned the laptop to PWD. Carol said she will redo the voucher requests because Judy had been left off. Discussion about the vouchers and reporting of hours to be included for payment.

Much discussion again about PWD insurance coverages. Discussion about the number of approved connections, and what the process would be to increase the number, including updating the water system plan. Discussion again regarding the BNSF well and the Agate Acres well. A motion was made to obtain an additional meter, and was approved so Austin will order one.

Austin reported they would be flushing the hydrants. It was reported that Granite would be getting water all summer long. Discussed shut-off notices and required time limits to be granted. A/R's were reviewed.
