

PLYMOUTH WATER DISTRICT  
MEETING MINUTES  
9/11/24

Present: Judy Lear, Austin Wyatt, Steve Hale

Meeting called to order at 3:12 p.m. Minutes of the August meeting were read and approved. Monthly water report was satisfactory. Some discussion regarding the water sampling requirements.

Vouchers and P-cards were read and approved. Financial report was given; some discussion about this. Discussion about mileage on the PWD pickup. Talked about insurance coverage for the pickup and property; Judy will again research with the insurance company and will report at the next meeting. Austin reported on the forms required in reporting what types of water lines are connected to each household.

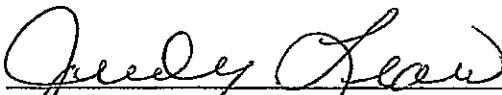

Austin reported on new "smart" water meters that are easier to read digitally and are more accurate and will provide more information. Current PWD meters are over 50 years old, and will eventually need to be replaced. A motion was made and passed to purchase a few meters and software to start with and see how it goes.

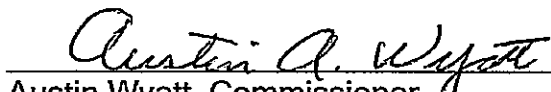

*3 Activated SH*

Carol reported on the PWD computer situation; software can be purchased without buying a new computer. Austin stated that 2 alarms have been installed on the water system, as there have been recent leaks reported. Quickly reviewed the A/R report; some discussion.

Some discussion regarding boosters in the Strom addition. Austin stated the 30hp pump may have to be upgraded to a 50hp. Austin reported that a portion of Bluesky PR would be dug up to replace a water line in the next few days.

Meeting was adjourned at 5:30 p.m.
