

PLYMOUTH WATER DISTRICT
MEETING MINUTES
5/13/26

Present: Judy Lear, Steve Hale, Russell Harris

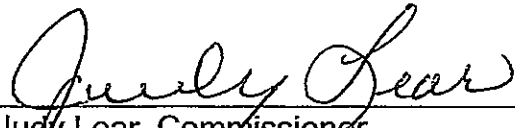

Meeting called to order at 3:12 p.m. Minutes of the April meeting were read and approved. Minutes of the April Special Meeting were read and approved. Water report was satisfactory. Carol distributed copies of the Water Operator's contract.

Russell gave a report on the rust found in River Point's water, which was determined to have come from one of their fire hydrants. They have since installed screens to filter the rust particles. Discussion regarding scenarios if a fire depletes the water tank, and options if that were to happen.

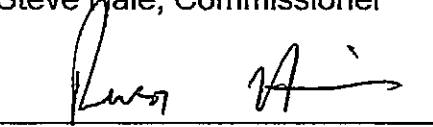

P-cards and vouchers were read and approved. Discussion about reimbursements not being paid unless accompanied by receipts. Discussion about whether all 50 of the new meters that have been installed were active or not. It was decided that a representative from the company that provided the meters would be contacted to come and instruct PWD on how to activate and maintain them.

Discussion about the Plymouth Water District laptop computer, and possibly purchasing a phone that could be used for emergency/maintenance use only.

A/R's were reviewed. Meeting was adjourned at _____.
