

PLYMOUTH WATER DISTRICT  
MEETING MINUTES  
7/10/24

Present: Judy Lear, Austin Wyatt, Steve Hale

Meeting called to order at 3:09 p.m. Minutes of the June meeting were read and approved. Monthly water report was satisfactory. P-cards and vouchers were read and approved.

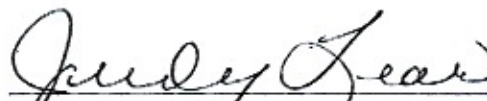

Austin reported on the new lab that we will be using for water samples. Went through the A/R report, but there seemed to be an error as many customers were showing as overpaid when they shouldn't be. Again discussed obtaining a new software program.

Judy gave an update on PWD insurance, and will report again at the next meeting about coverages. Carol will bring coverage amounts for PWD and the pick-up as well. Austin reported on the process necessary for DeVere's well to be approved by DOH. Judy gave an update on the SAMS report.

Discussion about needing a new water tank for storage. Discussion about water usage by Riverpoint Farms and the new installation needs.

Discussed repairing or replacing the fire hydrant on Mitchell Street. It was reported that PWD will be required to send out inquiries to all customers regarding their water lines, for example lead or copper, and Carol will send them out with the next billing.

Meeting was adjourned at 5:03 p.m.
