October 2026

Forest Glen

Community Association

Smoke Detectors Do EXPIRE!!!!

Yes, they expire every 10 Years!

and yes, Forest Glen is at the age where even if your detectors are not original & have been replaced at least once, they will need to be replaced again. If your detectors start beeping it might not just need a new battery, it might need to be replaced. This is a very simple step to take to help keep your family and your neighbors safe.

Board of Directors Nomination Forms

There are 2 Open Board seats for the 2026 election, if you would like to be considered for Nomination, please fill out the enclosed form & return by 10/16 either via email or mail to management.

Next Open Board Meeting to be held via Zoom is scheduled for October 29th at 7:00pm

Fall Association Reminders

Holiday Decorations – Holiday decorations and lights are welcomed in the community for the holidays and especially the holiday season between Thanksgiving and New Year's. Just a reminder, decorations are permitted to be placed no sooner than 5 weeks before the holiday and removed by 2 weeks after.

Parking – Please be mindful of guests parking during the Holiday Season. Try not to block driveways or sidewalks when having guests visit and spend time with you.

Property Maintenance – Before you start decorating for the holidays it is a good idea to have your house and/or fence powerwashed if needed. Also, please keep maintaining your lawns and beds as needed and this includes bagging of your grass clippings when cutting your grass. Putting up decorations on dirty houses with unkept lawns/beds is just not a good look.

STREET LIGHT OUT?

With this nice weather the kids have been out playing but it is getting darker earlier, if you notice a street light out, please contact management to report or visit forestglencommunity.com to find a link to report the light out directly to PSE&G

Leaf Collection

Our community is scheduled for leaf collection on or before November 9th. Please keep an eye out on the orange signs throughout the community that will let you know the date they will start. Leaves should be raked to street along the curb in loose piles. Please do NOT use bags. In addition, please keep cars off the street during dates posted for your section.
