Subject: RE: [External] FW: Narcan Catalog Order for Conference

Our team will be participating in the Florida Behavioral Health Conference, which brings together over 2,000+ attendees.

As part of our overdose prevention efforts, we'll be distributing Narcan and providing on-site education.

We'd like to demonstrate proper use of the device and ensure attendees can take a training unit home.

This not only reinforces learning but empowers them to share the knowledge within their communities, extending the reach of lifesaving education well beyond the event.

Thank you!

Hi, Sumer! I am unsure if we are able to send that amount given our current stock. I will need to check with our team. Can you please share how you will use them so that I can include that with the request? Thank you!
