- Read for 20 Minutes at least 4 times.
Share with me some of the books with me below.
- Choose 1 or more of the *Culture* options
- Choose 2 or more **Math** Options

Reading

Share with me some of the Books that you have read together or by yourself this week.

Culture:

- Help a family member at home with making dinner or preparing food. Talk with them about how they learned to cook or bake. Record your conversation below.
- Find a news article in the newspaper or online that was published in the last 10 days that focuses on helping. Read it together. Record your conversation below.
- Go for a walk around your neighborhood or take a walk to a local store. Tell me about the adventure below.

Cultural: Observations and Conversations:

Math:

- o 1st gr. Addition, (Ex $6 + 5$)
- o 2nd gr. Subtraction (Ex. $45-9$)
- o 3rd gr. Multiplication (Ex. $\times 3$, $\times 4$, $\times 5$)
- o Create or find patterns at home or in nature and draw with art paper.
- o Create Word problems using family members and solve them as a team!
- o Email Mr. Horton and have him give you four problems!

Describe what you did. Provide examples or draw a picture.

Challenge Math Problem:

Mr. Horton was watching the Minnesota Gophers play and they scored 28 points. The team from Georgia scored 11. If the Gopher score another 21 points and the Georgia team doesn't score again. How many more points did the Gophers have?

Special Activities: These are a choice and not required.

- o As a family, visit the website ed.ted.com and find a video you find interesting. Some of them are pretty fun!

Please check off or record what you have done and return the sheet on Tuesday of the following week.
