### "Going Deeper with God" Retreat

Retreat Focus: Develop your personal spiritual growth plan for 2019

When: Saturday, January 12, 4:00-8:00 pm (dinner included)

Where: Fellowship Hall

Who: Everyone!

Speaker: Dean Trune, Director of Intentional Impact Ministries

The ministry aims to help people connect more deeply with God and to help individuals join God in his mission. The Ministry focuses on blessing the 21st century church through seminars, coaching, mentoring, resource development and training volunteers for coaching and making disciples.

Sessions:

4:00-Developing Our Spiritual Root System

This workshop focuses on the "need" and the "how to" concerning developing a spiritual root system which allows God to use us in mighty ways.

5:00-Listening to God

Most people never listen to God. They have avoided it because some people become fanatical about receiving messages from God. God's Word has a great deal to say about being sensitive to His Holy Spirit. Much will be missed in a relationship with God if His people do all the talking and none of the listening. This workshop discusses learning how to listen.

6:00-Dinner

7:00-Journaling for Intimacy with God

Everyone is aware of the need to deepen our love relationship with God on a daily basis but most just never get started or know how to get started. This workshop covers a journaling method that simply works.

### Game Night Sunday, January 27, 6:00-8:00pm

### Guest Information

**Communion** - We partake in communion each Sunday, just as the early church practiced. It is a time when believers remember the sacrifice Jesus made on the cross for our sin. Please take and hold the bread and cup of juice so that we can partake of these emblems in unison. Containers are available in the pew rack in front of you for your cup. While we will not refuse communion to anyone, we do believe that this is a special time of remembrance for the people of God.
