Contact Our Customer Service Center @ 1-800-229-VALV For Application & Quotation Information

Control Valves, Regulators & Back-Pressure Valves

Rotary Eccentric Plug, V-Ball, Rotary Butterfly, & Globe Style Control Valves; Regulators, & Back-Pressure Valves

Process Flow Measurement, Energy Management, & Wireless Data Acquisition Systems

Flow Measurement Technologies Include: Coriolis, Impeller, Magnetic, Ultrasonic, Turbine, Variable Area & Vortex

Ball Valves, Butterfly Valves, Cryogenic Valves, & Plug Valves, & Tube Fittings

Rubber Seated & High-Performance, Triple-Offset, Teflon Lined, Multi-Port, Through ANSI 1500LB Class

Pressure Relief, Explosion Protection, & Tank Protection, Level Control & Indication

Rupture Discs, Explosion Vents, Relief Valves, Conservation Vents, Tank Blanketing Valves, & Level Control

Valve Actuation, Automation & Controls

Electric & Pneumatic Valve Actuators, Air sets, I/P Transducers, Monitors, Positioners, & Switches

Gas Detection & Monitoring, Pressure & Temperature Indicating Devices

Gas Detection, Pressure Switches, Gauges, Thermometers, Temperature Sensors & Transducers
