Anne Arundel County Detachment 1049

PO Box 804 Severn, MD 21114-0804

February 1, 2020

Dear friends,

On June 5, 2020, the Anne Arundel County Detachment will be hosting its **15th Annual Marines Helping Heroes Charity Golf Tournament** at the Walden Country Club in Crofton, MD.

Over the last 14 years, the detachment's fundraising efforts have netted over \$140,000 for combat wounded servicemen and veterans. We are very proud of what we have accomplished with your help and support. As we mark our 15th year, we remain committed to this important cause and with your help we will have continued success.

In 2018, the detachment established the Marines Helping Heroes Foundation, Inc. as an IRS 501(c)3 not for profit charitable organization. Under this new banner, the tournament's proceeds will continue to directly benefit the Semper Fi Fund and TreatNOW. These two great organizations work with active duty and military veterans suffering from TBI and PTSD. We are pleased to have them as partners.

The Semper Fi Fund, <https://semperfifund.org/> was established in 2004 by Marine Corps spouses. It provides lifetime support to post-9/11 wounded, critically ill, and injured members of all branches of the US Armed Forces. The fund provides education and support for those with PTSD and TBI.

The TreatNOW Coalition, <http://treatnow.org/> was created to identify and treat veterans and others suffering from TBI and PTSD. These brain damaging injuries have been directly linked to the veteran suicide epidemic of 24 lost servicemen each day. The wounds and scars may not be visible, but the injuries are real. These brave men and women need our help..and we are asking for yours.

So, save the date and come join us. In addition to participating as a golfer, there are many other ways you or your organization can contribute to this worthy cause.
