

Photo Sessions Fact Sheet (2021)

All sessions are appointment only so that we can plan for your visit. Otherwise, Erin's Farm is a working farm that is not open to the public, except during Christmas tree selling season.

- Please schedule enough time for your session. Set-up and Tear Down are not included for free. Please schedule time to do your set-up and tear-down.
- We encourage you to arrive 10 minutes before your appointment. Because we will have multiple photographers on site at the same time, please wait until your scheduled time to bring your clients into the field.

If we are unable to find a new time that works for all parties, we will refund the session fee.
