Please bring to the first day of rehearsal. These can be purchased on Amazon. Actors will need a pair of "unders" to wear under their costume: snug shorts and a tank top.	Some actors will apply fantasy makeup and will need to purchase special makeup/brushes to achieve the look. More information will be available after casting. Bring your makeup kits to the first rehearsal.	Actors should pack a dedicated rehearsal bag and bring with them to each rehearsal. It should contain: Script Pencil/Highlighter Water Bottle Snack Only items needed for the show. No extra toys, please.	Actors will be expected to have their lines memorized by our first rehearsal in May. This schedule will not work unless your child practices between Audition and first Rehearsal.	A note about casting: In the event we do not have enough actors to create two complete casts but we are close, some actors may be asked to perform in both so that the show can go on. If there is no possible way to have two complete casts, those who registered last will be let go and a full refund will be issued. To ensure your spot, it is in your best interest to register early. The schedule will be adjusted if this is the case.
