You must have your own makeup and brushes. We can no longer share makeup and hair supplies.

You will need to wear unders just like always on shoot days.

We will use black jazz shoes, please bring those. Or all black tennis shoes will work too.

All participants will need to have a current Consent Form on file.

Show Synopsis:
Since returning from the digital world with his gaming friends, Morgan has become a Billionaire CEO of his own digital company. He has alienated his gaming friends and is obsessed with a plan to have all gaming systems use his platform. Some of the gamer's avatars leave the digital world to warn the human gamers of a mysterious evil plot. They team up with their world champion gamers to defend their title at Global Gamefest. The opposing team is headed up by Morgan himself. But Morgan plans more than just winning the tournament. With Marcigon at the helm, the gamers and their band of Avatars must once again work together to discover the real truth behind Morgan's transformation. They have no choice but to win. Not for the glory, but to stop the real evil from dominion over all human gamers.
