Dear parents of Tracy High School incoming freshmen prospective student-athletes,

All THS athletes are required to complete online registration through partner company, FamilyID (www.familyid.com) before beginning any athletic activities. FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our athletic programs, and helps us to be more administratively efficient and environmentally friendly. When you register through FamilyID, the system keeps track of your information in your profile so you enter your information only once for multiple uses, multiple family members and multiple programs.

BEFORE YOU REGISTER

PHYSICAL EXAMS: A physical exam must be current within the past 12 months and signed and dated by the physician. **This form can be uploaded to the site or turned into the Athletic Clerk, Maria Arce, in the THS College & Career Center.** If the student’s physical expires during the season, they will not be able to play until a new physical exam is received.
