Tidewater Winds

Tidewater Winds Concert Band is comprised of 65 talented woodwind, brass, and percussion musicians from across the Hampton Roads Virginia region representing various military branches, careers, academia, college bands and orchestras. Within our Concert Band are numerous smaller ensembles. Tidewater Winds is one of a handful of Concert Bands like it in the country, preserving the unique heritage of American Concert Bands in the Sousa tradition.

The Mission of Tidewater Winds is to provide the highest quality of concert band programming in the Hampton Roads region. Through community partnerships and local initiatives, Tidewater Winds works to develop and maintain the highest aspirations of musical art by creating performances, special projects, and providing educational support for all students at the highest level of excellence. It is our charge to musically serve all communities in Hampton Roads offering special consideration for our seniors, military families, disabled and the economically disadvantaged. We aim to encourage education, socialization and unity through musical programming.

Maestro John Brewington

Dear Friends of the Winds,

It is a great pleasure to welcome you to this evening's Tidewater Winds holiday program, Yuletide Celebration. Like many of you, this is my favorite time of year—a season to gather with family, friends, and tonight, with one another as we share the joy and warmth of the holidays through music. I remain deeply grateful for your loyal presence and generous support, which sustain our mission and make performances like this possible.

Tonight's program is a festive and heartfelt musical experience! We open with Sean O'Loughlin's "Holiday Portraits", a spirited medley weaving together beloved carols including O Christmas Tree, O Come All Ye Faithful, Angels We Have Heard on High, Deck the Halls, Good King Wenceslas, Joy to the World, and more. The first half continues with Stephen Bulla's "Rhapsody for Hanukkah", followed by the charming "Boléro de Noël" by Maurice Ravel, arr. Suzanne Walters and a beautifully reflective "I Wonder as I Wander" by John Niles, arr. Larry Clark. We then welcome our wonderful, featured vocalist, Symone Harcum, for two cherished classics: "Christmas Time is Here" by Mendelson/Guaraldi, arr. Hemmer & Brewington, and "The Christmas Song" by Mel Tormé. The first half concludes with the bright, rhythmic sparkle of Percy Faith's "Brazilian Sleigh Bells".

Following intermission, the Winds return with Stephen Melillo's powerful arrangement of "O Come Holy Night". We continue with Tyler Coughran's exhilarating setting of David Foster's "Carol of the Bells" and Douglas Wagner's nostalgic "Christmas from the '50s", featuring once again the extraordinary vocals of Symone Harcum. Symone also joins us for the tender and contemplative "Christmas Lullaby", by J.R. Brown, arr. John Conahan. Our program concludes with audience favorites: David Lovrien's "Christmas Sing-Along" and Leroy Anderson's timeless "Sleigh Ride".

Thank you for making our 2025 season so special for the Winds. The past 40 years of music-making have been possible only because of your continued kindness, generosity, and belief in the value of live performance. Now more than ever, your support sustains and strengthens our future. I wish you and your loved ones peace, joy, and the blessings of music throughout this holiday season.

Musically Yours,
John H. Brewington
Conductor and Music Director, Tidewater Winds

Tidewater Winds is grateful to our corporate and government sponsors.

Thank You!

Sponsor a Tidewater Winds Student Intern in 2026

Your donation of \$250 supports an intern for the summer student internship program. You will help provide Master Classes, private instrument lessons, college audition material, and a meaningful mentorship program. Most students will perform more repertoire in our 4-week program than in their entire high school band career. You'll also receive closing details on the program from the students themselves.

Help support one of the most powerful student music intern programs in Hampton Roads with your donation today!
