Availability Information (pg. 2)

Please check your calendar with our 2019 Summer Season dates on pg. 2. Place a mark that best describes your availability for each performance listed. Rehearsals are always on Sundays from 2:30-5:30 with concerts at 7:30, unless directly stated otherwise.

**As per policy, if you are unavailable for a Sunday rehearsal, you are ineligible to perform at all that week.
No exceptions.**

Concerts always have a 7:30 start time unless specifically noted. Please remember to consider your commute to the performance location. A 60-45 minute call time is encouraged, while a 30 minute call time is compulsory.

The Tidewater Winds Big Band is a smaller group comprised of members from the Concert Band which uses traditional big band instrumentation (sax/reed doubles, trumpets, trombones, and rhythm section). If you are auditioning on an instrument used in that group and interested, please mark your availability for those dates, as well.

“Big Band Only” dates only require members of the Tidewater Winds Big Band and not the full Concert Band.

If you are not a part of the Tidewater Winds Big Band, you will not be contracted for those events.

Again, we appreciate your interest in supporting the mission of the Tidewater Winds and look forward to hearing your audition! If you have any questions or concerns, please email our Personnel Manager at PerManager.TW@Gmail.com. Thank you!
