

We are delighted you enquired about booking

We have worked with many wedding professionals in the past few years and wish to help, and aim to not be the "bossy photographer" you see at most weddings. We try to blend in with your wedding party so you don't even know we are there, BUT also getting the best shots of the day for you both, with formal shots of the family and friends. We do need a few details to confirm your booking though (the boring bit)

The Agreement : WE (EWP) will require a £100 deposit (non-refundable*) on return of this form to secure date*, remainder to be paid 30 days before wedding*. Our terms : we will arrive about 2 hours before to take photos of the bride getting ready, right until you leave the house. If you wish, we can send someone to take shots of the groom getting ready also (at additional cost). We will stay until the first dance and then leave. We aim to have some shots within a few hours to you! We will own the copyright alongside yourselves to all media, and may use some of it in adverts and on social media pages for EWP. A copy will be given to the happy couple.

If you are booking for a full days shoot this is to include food for the photographer also, We will work alongside the venue and the current legislation in according to COVID-19 and we also understand the lateness of some changes beyond anyones control. We will be in touch with the couple as soon as we hear any changes.

Please tick the box if you do not wish this to be available on line or on social media
