GUIDELINES FOR ABSTRACTS

1. Limit to 250 words. Titles should accurately reflect the contents of the abstract. The objectives, results and conclusions should be clearly stated. Each abstract should contain: a) an introductory sentence indicating the purpose of the study; b) a brief description of pertinent methods or experimental procedures; c) a summary of the data, and; d) a statement of the conclusions.
2. Abbreviations may be used in the title and text of abstracts provided they are defined. Spell out the term in full at first mention and follow with the abbreviation in parentheses.
3. If accepted for presentation, the abstract will appear in the Program Book as submitted.

Email the Abstract Form to Nikki Williams, SPS Manager: Nikki@societyofpelvicsurgeons.com.
