

## ***Kingdom Conquest Part 1***

John 3:3

- Salvation is seeing the kingdom or getting a revelation of the kingdom of God.

Colossians 1:13

- Your new birth translated you or moved you into another kingdom.
- Your first birth brought you into the kingdom of darkness, but your second birth brought you into the kingdom of Jesus.
- So just like my birth in the United States made me a citizen of this country by new birth in the Spirit made me a citizen of the kingdom of God.

I am not a Baptist, Methodist, Pentecostal, Catholic, I am a citizen of the kingdom of God.

What do you believe?

- Whatever the King says.
- In a kingdom there is no democracy. There is only theocracy.
- With democracy the majority rules but with theocracy the king rules. So, whatever the king says is law and the final word, and the king's word is in this book and spoken in my heart by the Holy Ghost which will line up with everything in this book.
- I don't have thoughts and opinions of my own. My thoughts and opinions must be His. If He says it's right, it must be right. If He says it's wrong, then it's wrong. If He says do it, then I do it no questions asked. If He says not to do it, I don't do it no questions asked because this is His kingdom.

Every kingdom has a culture.

Luke 4:43

- Jesus said here He must preach the kingdom, or I must proclaim the culture of the kingdom. So, what did he preach?

Luke 4:18-19

- The gospel, Deliverance, Recovery, Liberty, Jubilee (the restoration of everything lost.)
- So, if these are all things Jesus is anointed to preach and he said I must preach the kingdom then all these things must be the kingdom. These things are the culture of the kingdom of God.
- If you are in a church and you are not seeing these things, there's no kingdom culture there. You belong to a religious social club.
- If you are not seeing these things in your life or you are not being used to bring these things to others, you are not walking in kingdom culture.

## Mathew 6:9-10

- Jesus is teaching the disciples how to pray, and I want to emphasize that this is prior to the cross. But this is not just Jesus teaching a certain prayer, this is Jesus revealing to the disciples what should be the desire of their heart.
  - o Prayer shouldn't be a religious act that we do; it should be an expression of the desire and hunger of our heart.
- So, He's telling them that you need to pray or desire for the kingdom to come.
  - o Come where? To the earth.
  - o What is the kingdom coming to the earth? It's the will of the Father being done in the earth as it already is being done in heaven.
    - Wherever the will of the Father is being done, the kingdom has come.
  - o In other words, Jesus is speaking about an invasion. He's wanting them to desire for an invasion of kingdom culture here on earth.
  - o Is there any sickness in heaven? No! So then wherever there is kingdom culture here on earth, should there be any sickness? No! So, when folks get healed, is that Kingdom culture on earth? Yes!
  - o So, our mindset should not be when I get to heaven everything is going to be alright. Our mindset should be I can have heaven right here on earth. I can produce heaven right here on earth.
  - o 2 Cor 5:20 ambassadors

## Mathew 12:24-28

- Jesus basically was saying here that where the devil was being run off or his bondages was breaking by the power of the Holy Spirit then you are witnessing the kingdom.
  - o The kingdom is wherever the Holy Spirit is in control and the devil has lost control.
- Understand that in the prior scripture I told you that that prayer was prior to the cross.
  - o At the time of that prayer, the kingdom hadn't come yet to earth because man didn't have full authority over the devil.
  - o It was only demonstrated through Jesus' ministry because he was the only one with legal authority over the enemy.
  - o But since the cross, you and I have been made righteous through faith in the finished works of Jesus and we now have His name and the same authority He carried. So, the kingdom has come and it's in our hearts and it's our mission now to take that authority, run the devil off, and spread kingdom culture in this earth.

## Matthew 12:29

- The strong man is satan and the house is your heart or soul.

- Spoiling his goods is referring to taking back from satan your soul that he has control over. Your soul is his goods.
- But before Jesus can take back your soul, you must first bind satan.
  - o This is why religion doesn't work because all religion does is tell you to do better and change your behavior.
  - o But you can't do that when there is someone there in control and influencing what you say, think and do.
  - o So first you have to recognize that strongman and by the Power of the Holy Spirit bind him and allow the Holy Spirit to have control.
- So, understand that we are not going to have kingdom culture in our lives or the lives of anyone around us unless we first deal with the strong man.
  - o My point is that churches that want to ignore the demonic influence that is in the world and even in the church is not going to see or promote kingdom culture in this earth.
  - o Self-motivation is not going to bring kingdom culture. Giving folks a list of rules and regulations to follow is not going to bring kingdom culture. Removing satan out of lives homes, churches, schools, businesses, government by the power of the Holy Spirit is going to bring kingdom culture.
