Pre-K Attendance Policy

Attendance during the scheduled instructional days is of utmost importance to remain in the VPK program. Not only is MAGO funding linked to attendance, but also the child's success upon entrance into Kindergarten. You will be required to sign and comply with the following policy on Attendance and Tardiness to remain in the VPK program.

Tardiness:

Late arrival 15 minutes after the program has started are disruptive to the group in progress and difficult for the arriving child as well. We understand that it is occasionally unavoidable to be "running late", but more than twice a month will not be acceptable and will be cause for termination from the VPK program.

Late Pick Up:

An additional fee of \$1.00 will be assessed for every additional minute the child is still in attendance after the program ends.

Absence:

Daily attendance in the VPK program is necessary for optimal learning, however, you will be allowed (3) absences per month. Any absences beyond those require a written note from the parent for one of the following reasons:

- Illness or injury of the child or the child's family member which requires hospitalization or bed rest;
- Physician or dentist appointment;
- Infectious disease or parasitic infestation;
- Funeral service, memorial service, or bereavement upon the death of the child's family member;
- Compliance with a court order (e.g. visitation, subpoena);
- Special education or related services for the child's disability;
- Observance of a religious holiday or service;
- Family vacation, not to exceed five excused absences per program year.

Please note:

Absences of five consecutive instructional days will be considered a withdrawal from the VPK program at MAGO. Withdrawals from the VPK program will not be eligible for re-enrollment. MAGO will allow one documented 5-day absence during the 180-day instructional period. Documentation must be submitted in advance, explain the reason for the 5-day absence, and be dated and signed by the child's legal custodial adult.

Verifying your child's attendance and absences:

MAGO staff will ask you to stop by at the end of each month. You will be given a form to review and confirm your child's recorded attendance for the month. Your signature on this form will not only verify the attendance, but also will direct the Early Learning Coalition of Orange County to direct payment for the month's VPK program for your child to MAGO, and that you continue to choose MAGO to provide your child's VPK program for the upcoming month.
