What is in this Book?

The Undeniable fact that the so-called Negro is the first Inhabitant of North Central and South America

The Undeniable fact that so-called slavery was a crime whereby the Negro-African-American suffered political annihilation from their ancestral Aboriginal American and Indigenous Moorish historical and political status to one of an unlawfully enslaved people who were renamed Negroes and African Americans.

**The political steps of remedy for this group in the form of
Reparations
Reclamation
Restitution**

**The Indigenous Political Authority & The Aboriginal Republic of North America
Xi-Amaru Tribal Government are the leaders and specialists in the field of
Political Remedy for Indigenous Peoples Globally**
